## Starlight Hybrid Global Real Assets Trust announces Distribution Reinvestment Plan

Toronto – March 25, 2019 – Starlight Investments Capital LP (“**Starlight Capital**”), on behalf of Starlight Hybrid Global Real Assets Trust (the “Trust”), is pleased to announce the launch of the Trust’s distribution reinvestment and optional cash purchase plan (the “**Plan**”). The Plan provides eligible holders (“**Unitholders**”) of Series A units (“**Series A Units**”) and Series C units (“**Series C Units**”) of the Trust, an opportunity to acquire additional Series A Units at the greater of either the NAV per Series A Unit or 97% of the average market price (as such term is defined in the Plan). The Plan provides an efficient and cost-effective way for the Trust to issue additional equity to existing Unitholders.

Unitholders may choose to make optional cash purchases of Series A Units under the Plan at any time in amounts equal to or greater than \$1,000, but not to exceed \$100,000 per annum. The aggregate number of Series A Units issued pursuant to optional cash purchases, in any financial year, cannot exceed 2% of the issued and outstanding Series A Units as at the beginning of that financial year. In respect of the distribution on which the foregoing 2% limit would otherwise be exceeded, the maximum number of Series A Units as would be within the 2% limit will be allocated on a *pro rata* basis to Unitholders who have elected to make optional cash purchases in respect of such distribution, and any remaining cash will thereafter be returned to the appropriate Unitholders.

A Unitholder may terminate participation in the Plan at any time. Interested Unitholders should contact their brokers and consult with the full text of the Plan. A copy of the Plan is available on [www.sedar.com](http://www.sedar.com) or can be requested from our Advisor and Investor Experience Department.
