Except as expressly specified in this Declaration of Trust, in the event that any day on which any amount is to be determined or any action is required to be taken hereunder is not a Business Day, then such amount shall be determined or such action shall be required to be taken at or before the requisite time on the next succeeding day that is a Business Day.

1.4 Time of Essence

Time shall be of the essence in this Declaration of Trust.

ARTICLE 2 DECLARATION OF TRUST

2.1 Establishment of the Trust

The Trustees hereby agree to hold and administer the property, real, personal or otherwise, tangible or intangible, which has been or is hereafter transferred, conveyed or paid to or otherwise received by the Trust or to which the Trust is otherwise entitled, including the Initial Contribution, and all income, profits and gains therefrom in trust for the use and benefit of the Unitholders, their successors, permitted assigns and personal representatives upon the trusts and subject to the terms and conditions hereinafter declared and set forth, such trust to constitute the Trust hereunder.

2.2 Initial Contribution

The Trustees hereby acknowledge and confirm that the Settlor has made the Initial Contribution to the initial Trustee for the purpose of establishing the Trust.

2.3 Name

The name of the Trust is Starlight Hybrid Global Real Assets Trust. As far as practicable and except as otherwise provided in this Declaration of Trust, the Trustees shall conduct the affairs of the Trust, hold property, execute all documents and take all legal proceedings under that name. For greater certainty, where any reference is made in this Declaration of Trust, or any other instrument to which the Trust or the Trustees, as trustees of the Trust, are a party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty by or with respect to (i) the Trust; or (ii) the Trustees, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a

discharge or release to be provided by, a suit or proceeding taken by or against, or a covenant, representation or warranty by or with respect to the Trustees as trustees of the Trust.

2.4 Use of Name

Should the Trustees determine that the use of the name Starlight Hybrid Global Real Assets Trust is not practicable, legal or convenient, they may use such other designation or they may adopt such other name for the Trust as they deem appropriate and the Trust may hold property and conduct its activities under such other designation or name.

2.5 Office

The principal, registered and head office and centre of administration of the Trust shall be located at 3280 Bloor Street West, Centre Tower, Suite 1400, Toronto, Ontario, Canada, M8X 2X3, unless changed by the Trustees to another location in Canada. The Trust may have such other offices or places for the conduct of its affairs as the Trustees may from time to time determine as necessary or desirable.

2.6 Nature of the Trust

The Trust is an open-ended unincorporated investment holding trust. The Trust, its Trustees and its property shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for trusts or for the Trust by:

- (a) applicable laws, regulations or other requirements imposed by applicable securities or other regulatory authorities; and
- (b) the terms and conditions set forth in this Declaration of Trust.

The Trust is not and is not intended to be, shall not be deemed to be and shall not be treated, as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Trustees or the Unitholders or any of them or any officers or other employees of the Trust or any one of them for any purpose be, or be deemed to be, treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. Neither the Trustees nor any officer or other employee of the Trust shall be, or be deemed to be, agents of the Unitholders. The relationship of the Unitholders to the Trustees, to the Trust and to the Trust Property shall be solely that of beneficiaries of the Trust and their rights shall be limited to those conferred upon them by this Declaration of Trust.

2.7 Rights of Unitholders

The rights of each Unitholder to call for a distribution or division of assets, monies, funds, income and capital gains held, received or realized by the Trustees are limited to those contained herein and, except as provided herein, no Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Trustees. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Trustees, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except as specifically provided herein. Except as specifically provided herein, no Unitholder shall be entitled to interfere with or give any direction to the Trustees with respect to the affairs of the Trust or in connection with the exercise of any powers

or authorities conferred upon the Trustees under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights specifically set forth in this Declaration of Trust.

ARTICLE 3 TRUSTEES AND OFFICERS

3.1 Number

There shall be a minimum of one (1) and a maximum of nine (9) Trustees. The number of Trustees within such minimum and maximum numbers may be changed by the Trustees from time to time at their discretion. The initial number of Trustees shall be three (3).

3.2 Qualifications of Trustees

A Trustee shall be an individual that is at least 18 years of age, not found to be of unsound mind or incapable of managing property by a court in Canada or elsewhere, and not have the status of bankrupt.

3.3 Residency of Trustees

A majority of the Trustees must be Residents. If at any time a majority of the Trustees are not Residents because of the death, resignation, insolvency, bankruptcy, adjudicated incompetence or incapacity, removal or change in circumstance of any Trustee who was a Resident Trustee, or there are no Trustees who are Residents, the Trustee or Trustees who are Non-Residents shall, immediately before that time, be deemed to have resigned and shall cease to be Trustees with effect from the time of such deemed resignation and the remaining Trustees shall appoint a sufficient number of Resident Trustees to comply with this requirement. If at any time the number of Trustees is less than the number required under this Declaration of Trust and the remaining Trustee or Trustees fail or are unable to act in accordance with Section 3.4 to appoint one or more additional Trustees or if, upon the resignation or deemed resignation of one or more Trustees there would be no Trustees, then the Trustees of the Trust shall appoint one or more Trustees so that following such appointment a majority of the Trustees are Residents and, failing such appointment, any remaining Trustee or Unitholder or officer of the Trust or the Auditors, as the case may be, may apply to the Superior Court of Justice of Ontario for an order appointing one or more Trustees so that following such appointment a majority of the Trustees are Residents, to act on such other terms as the Court may order. Any Trustee who is a Resident who proposes to become a Non-Resident shall notify the other Trustees thereof as soon as reasonably practicable and, unless the other Trustees determine in their discretion that such Trustee remaining a Trustee will not violate the requirements of this Section 3.3, shall resign as a Trustee effective upon the day of such notification and shall be replaced with a Trustee who is a Resident.

3.4 Appointment of Trustees

The appointment of the Trustees named of the First Part above is hereby confirmed and the term of office applicable to each Trustee shall expire at the termination of the Trust. Trustees removed pursuant to Section 3.5(b) shall be replaced by a Trustee appointed by the Manager. In the event that a Trustee resigns or otherwise ceases to be a Trustee other than pursuant to Section 3.5(b), the Trustees, so long as they constitute a quorum and a majority of the Trustees constituting quorum are Residents, may appoint one or more additional Trustees to fill such

vacancy or vacancies for a term expiring at the termination of the Trust (or if they are not, then a new Trustee may be appointed by the Manager). In the event that an Independent Trustee ceases to be a Trustee, such vacancy shall be filled by a person that would qualify as an Independent Trustee.

3.5 Resignations, Removal, Incapacity and Death of Trustees

- (a) A Trustee may resign at any time by an instrument in writing signed by the Trustee and delivered or mailed to the Trustees or the Chief Executive Officer, or, if there is no Chief Executive Officer, the Manager. A resignation of a Trustee becomes effective at the time a written resignation is received by the Trust upon 30 days' written notice, or at the time specified in the resignation, whichever is later, provided that if, upon the resignation becoming effective, the number of remaining Trustees would be less than the number necessary to constitute a quorum for a meeting of Trustees, the resignation is not effective until the resigning Trustee's successor is duly appointed as a Trustee, except in the case of a deemed resignation under Section 3.3 which shall be effective at the time therein prescribed.
- (b) A Trustee may be removed at any time with or without cause by the Manager. Any removal of a Trustee shall take effect immediately or at any later time specified in the notice without need for prior accounting, and any Trustee so removed shall be so notified by the Chief Executive Officer or another officer of the Trust or if there is no officer of the Trust, by any remaining Trustee or if there is no Trustee then remaining, by the Manager, following such removal.
- (c) Upon the resignation (including a deemed resignation) or removal of any Trustee, or such Trustee otherwise ceasing to be a Trustee (in each case, a "**Retiring Trustee**"), such Retiring Trustee shall cease to have the rights, privileges and powers of a Trustee hereunder, shall account to the remaining Trustees as they may require for all property which he or she holds as Trustee and do all such other things as may be required pursuant to Subsection 3.7(b) hereof; provided however that notwithstanding any other provision of this Declaration of Trust, each such Retiring Trustee shall always continue to have the protections afforded to Trustees in Article 18.
- (d) Upon the incapacity or death of any Trustee, such Retiring Trustee's legal representative shall execute and deliver on such Trustee's behalf such documents as the remaining Trustees may require as provided in this Section 3.5. In the event that a Trustee or his legal representatives, as applicable, are unable or unwilling to execute and deliver such required documents, each of the remaining Trustees is hereby appointed as the attorney of such Trustee for the purpose of executing and delivering such required documents.

3.6 Consent to Act

- (a) A person who is appointed a Trustee hereunder shall not become a Trustee until the person has, either before or after such appointment, executed and delivered to the Trust a consent, or such consent is evidenced in minutes of a meeting of Trustees, substantially in the form as follows:

"To: Starlight Hybrid Global Real Assets Trust (the "Trust")
And to: The Trustees thereof

The undersigned hereby certifies that he or she or it is/is not a resident of Canada within the meaning of the *Income Tax Act* (Canada) and consents to act as a Trustee of the Trust and hereby agrees, upon the later of the date of this consent and the date of the undersigned's appointment as a Trustee of the Trust, to thereby become a party, as a Trustee, to the Declaration of Trust dated the 11th day of October, 2018, as amended, supplemented or amended and restated from time to time, constituting the Trust.

Dated: _____
[Signature]"

- (b) Upon the later of a person being appointed a Trustee hereunder and executing and delivering to the Trust a form of consent substantially as set forth in Subsection 3.6(a), such person shall become a Trustee hereunder and shall be deemed to be a party (as a Trustee) to this Declaration of Trust, as amended, supplemented or amended and restated from time to time.
- (c) An act of a Trustee is valid notwithstanding an irregularity in the appointment or election of the Trustee or a defect in the qualification of the Trustee.

3.7 Ceasing to Hold Office

- (a) A Trustee ceases to hold office when:
 - (i) the Trustee ceases to be duly qualified to act as a Trustee as provided under Section 3.2;
 - (ii) the Trustee ceases to be a Trustee in accordance with Section 3.5;
 - (iii) the Trustee dies or resigns; or
 - (iv) the Trustee is removed in accordance with Section 3.3 and Section 3.5.
- (b) Upon a Trustee ceasing to hold office as such hereunder, such Trustee shall cease to be a party (as a Trustee) to this Declaration of Trust; provided, however, that such Trustee shall continue to be entitled to be paid any amounts owing by the Trust to the Trustee and to the benefits of the indemnity provided in Section 18.2. Such Trustee shall execute and deliver such documents as the remaining Trustees shall reasonably require for the conveyance of any Trust property held in that Trustee's name, shall account to the remaining Trustees as they may reasonably require for all Trust Property which that Trustee holds as Trustee, shall resign from all directorship or similar positions held by such Trustee in any entity in which the Trust has an interest and shall thereupon be discharged as Trustee. Upon the incapacity or death of any Trustee, his legal representative shall execute and deliver on his behalf such documents as the remaining Trustees may reasonably require as provided in this Subsection 3.7(b). In the event that a Trustee or his legal representatives, as applicable, are unable or unwilling to execute and deliver such required documents, each of the remaining Trustees is hereby appointed as the attorney of such Trustee for the purposes of executing and delivering such required documents. This power of attorney granted to each of the remaining Trustees is not intended to be a continuing power of attorney within the meaning of the *Substitute Decisions Act, 1992* (Ontario), exercisable during a Trustee's incapacity to manage property, or any similar power of attorney under equivalent legislation in any of

the provinces or territories of Canada (a “CPOA”). The execution of this power of attorney will not terminate any CPOA granted by the Trustee previously and will not be terminated by the execution by the Trustee in the future of a CPOA, and the Trustee hereby agrees not to take any action in future which results in the termination of this power of attorney.

3.8 Vacancies by Trustees

The death, resignation, bankruptcy, adjudicated incompetence or other incapacity to exercise the duties of the office of a Trustee or the removal or other cessation to hold office of a Trustee shall not operate to annul this Declaration of Trust or affect the continuity of the Trust. Until vacancies are filled, the remaining Trustee or Trustees (even if less than a quorum, but subject to compliance with Section 3.3) may exercise the powers of the Trustees hereunder. In the case of a vacancy, (i) the Manager, in the case of a vacancy pursuant to Section 3.5(b), or (ii) so long as they constitute a quorum and a majority of the Trustees constituting such quorum are Residents, a majority of the Trustees continuing in office, in the case of a vacancy other than pursuant to Section 3.5(b), may fill such vacancy. If there is not such a quorum of Trustees, then a new Trustee may be appointed by the Manager.

3.9 Successor and Additional Trustees

The right, title and interest of the Trustees in and to the Trust Property shall vest automatically in all persons who may hereafter become Trustees upon their due election or appointment and qualification and acceptance thereof without any further act and they shall thereupon have all the rights, privileges, powers, obligations and immunities of Trustees hereunder. Such right, title and interest shall vest in the Trustees whether or not conveyancing documents have been executed and delivered pursuant to Section 3.7 or otherwise.

3.10 Compensation and Other Remuneration

Only Trustees who are not officers or employees of and who do not receive salary from the Trust, the Manager or any of their subsidiaries shall receive such fees and other reasonable compensation (including, without limitation, fees for serving as Chair of the Trust, for serving as chair of any committee of Trustees and for attendance at each meeting of Trustees and of each committee of Trustees) as the Trustees may determine from time to time, as well as reimbursement of their reasonable travel and out-of-pocket expenses properly incurred in acting as a Trustee.

Each of the Trustees, either directly or indirectly, shall also be entitled to receive remuneration for services rendered to the Trust in any other capacity. Such services may include, without limitation, services as an officer of the Trust, legal, accounting or other professional services or services as a broker, transfer agent or underwriter, whether performed by a Trustee or any Person affiliated with a Trustee.

3.11 Validity of Acts

Any act of a Trustee is valid notwithstanding any irregularity in the appointment of the Trustees or a defect in the qualifications of the Trustees.

The Trustees, subject only to the terms and conditions contained in this Declaration of Trust, including without limitation, Sections 7.1, 7.2 and 9.6, shall have, without further or other authorization and free from any control or direction on the part of the Unitholders, full, absolute and exclusive power, control and authority over the Trust Property and over the operations of the Trust to the same extent as if the Trustees were the sole and absolute legal and beneficial owners of such Trust Property in their own right, to do all such acts and things as in their sole judgment and discretion are necessary or incidental to, or desirable for, the carrying out of any of the purposes of the Trust or the conducting of the affairs of the Trust. In construing the provisions of this Declaration of Trust, there shall be a presumption in favour of the power and authority having been granted to the Trustees. The enumeration of any specific power or authority herein shall not be construed as limiting the general powers or authority or any other specified power or authority conferred herein on the Trustees. 4.3 Further Powers of the Trustees

The Trustees shall have the power to prescribe any form provided for or contemplated by this Declaration of Trust. The Trustees may make, adopt, amend, or repeal regulations containing provisions relating to the Trust, the conduct of its affairs, the rights or powers of the Trustees and the rights or powers of the Unitholders or officers, provided that such regulations shall not be inconsistent with law or with this Declaration of Trust and not, in the opinion of the Trustees, prejudicial to Unitholders. The Trustees shall also be entitled to make any reasonable decisions, designations or determinations not inconsistent with law or with this Declaration of Trust which they may determine are necessary or desirable in interpreting, applying or administering this Declaration of Trust or in administering, managing or operating the Trust. To the extent of any inconsistency between this Declaration of Trust and any regulation, decision, designation or determination made by the Trustees, this Declaration of Trust shall prevail and such regulation,

decision, designation or determination shall be deemed to be modified to eliminate such inconsistency. Any regulations, decisions, designations or determinations made in accordance with this Section 4.3 shall be conclusive and binding upon all persons affected thereby.

Subject to any agreement between the Trust and any Trustee and as otherwise herein provided, the Trustees may from time to time in their discretion appoint, employ, invest in, contract or deal with any person including, without limitation, any affiliate of any of them and any person in which any one or more of them may be directly or indirectly interested and, without limiting the generality of the foregoing, any Trustee may purchase, hold, sell, invest in or otherwise deal with property of the same nature as may be held by the Trustees as Trust Property, whether for the Trustee's own account or for the account of another (in a fiduciary capacity or otherwise), without being liable to account therefor and without being in breach of his duties and responsibilities hereunder.

4.5 Standard of Care

The exclusive standard of care required of the Trustees in exercising their powers and carrying out their functions hereunder shall be that they exercise their powers and discharge their duties hereunder as Trustees honestly, in good faith and in the best interests of the Trust and in connection therewith, that they exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Unless otherwise required by law, no Trustee shall be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Trustees in their capacity as Trustees shall not be required to devote their entire time to the investments, business or affairs of the Trust.

No Trustee shall be liable in carrying out such Trustee's duties under this Declaration of Trust except in cases where the Trustee fails to act honestly, in good faith and in the best interests of the Trust or, in connection therewith, fails to exercise the degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. The duties and standard of care of the Trustees provided as aforesaid are intended to be similar to, and not to be any greater than, those imposed on a director of a corporation governed by the *Canada Business Corporations Act*.

4.6 Fees and Expenses

As part of the expenses of the Trust, the Trustees may pay or cause to be paid out of the Trust Property, reasonable fees, costs and expenses incurred in connection with the administration and management of the Trust, including (without limitation) fees of auditors, accountants, custodians, valuation agents, lawyers, engineers, appraisers and other agents, consultants and professional advisors employed by or on behalf of the Trust, real property and brokerage commissions in respect of investments and dispositions of real estate or infrastructure assets made by the Trust, marketing, leasing and investor relations expenses, fees of stock exchanges and the cost of reporting or giving notices to Unitholders. All costs, charges and expenses properly incurred by the Trustees on behalf of the Trust shall be payable out of the Trust Property.

4.7 Reliance Upon Trustees

Any person dealing with the Trust in respect of any matters pertaining to the Trust Property and any right, title or interest therein or to securities of the Trust shall be entitled to rely on a certificate or statutory declaration (including, without limiting the foregoing, a certificate or statutory declaration as to the passing of a resolution of the Trustees) executed by any single Trustee or officer of the Trust or, without limiting the foregoing, such other person as may be authorized by the Trustees as to the capacity, power and authority of the Trustees or any such other person to act for and on behalf and in the name of the Trust. No person dealing with the Trustees or officers of the Trust shall be bound to see to the application of any funds or property passing into the hands or control of the Trustees. The receipt by or on behalf of the Trustees or officers of the Trust for monies or other consideration shall be binding upon the Trust.

4.8 Determinations of Trustees Binding

All determinations of the Trustees which are made in good faith with respect to any matters relating to the Trust, including, without limitation, whether any particular investment or disposition meets the requirements of this Declaration of Trust, shall be final and conclusive and shall be binding upon the Trust and all Unitholders (and, where the Unitholder is a Plan, or other similar fund or plan registered under the Tax Act, upon plan beneficiaries and plan holders past, present and future) and Units of the Trust shall be issued and sold on the condition and understanding that any and all such determinations shall be binding as aforesaid.

4.9 Limitations on Liability of Trustees

- (a) Subject to the standard of care set forth in Section 4.5, none of the Trustees nor any officers, employees or agents of the Trust shall be liable to any Unitholder or any other person in tort, contract or otherwise for any action taken or not taken in good faith in reliance on any documents that are, *prima facie*, properly executed; for any depreciation of, or loss to, the Trust incurred by reason of the sale of any security; for the loss or disposition of monies or securities; for any action or failure to act by any person to whom the Trustees are permitted to delegate and have delegated any of their duties hereunder; or for any other action or failure to act including, without limitation, the failure to compel in any way any former Trustee to redress any breach of trust or any failure by any person to perform obligations or pay monies owed to the Trust, unless such liabilities arise out of a breach of the standard of care, diligence and skill as set out in Section 4.5. If the Trustees have retained an appropriate expert, advisor or legal counsel with respect to any matter connected with their duties under this Declaration of Trust, the

Trustees may act or refuse to act based on the advice of such expert, advisor or legal counsel and, notwithstanding any provision of this Declaration of Trust, including, without limitation, the standard of care, diligence and skill set out in Section 4.5 hereof, the Trustees shall not be liable for and shall be fully protected from any action or refusal to act based on the advice of any such expert, advisor or legal counsel which it is reasonable to conclude is within the expertise of such expert or advisor to give.

- (b) The Trustees shall not be subject to any personal liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Trust arising out of anything done or permitted or omitted to be done in respect of the execution of the duties of the office of Trustees for or in respect of the affairs of the Trust unless such Trustee shall have failed to meet the standard of care set out in Section 4.5. No property or assets of the Trustees, owned in their personal capacity or otherwise, will be subject to any levy, execution or other enforcement procedure with regard to any obligations under this Declaration of Trust or under any other related agreements unless such Trustee shall have failed to meet the standard of care set out in Section 4.5. No recourse may be had or taken, directly or indirectly, against the Trustees in their personal capacity or against any incorporator, shareholder, director, officer, employee or agent of the Trustees or any successor of the Trustees unless such Trustee shall have failed to meet the standard of care set out in Section 4.5. The Trust shall be solely liable therefor and resort shall be had solely to the Trust Property for payment or performance thereof unless such Trustee shall have failed to meet the standard of care set out in Section 4.5.
- (c) For greater certainty, neither the Trustees nor the Manager shall be personally liable for any taxes, assessments or other governmental charges levied with respect to the Trust or the Units or upon the property of the Trust or any part thereof, or upon the income thereof or any interest of any Unitholder therein or thereunder. In the event that the Trustees or the Manager at any time shall make any disbursements from the Trustees' or the Manager's own property for any such tax, assessment or other governmental charge which is payable from the property of the Trust, the Trustees or the Manager shall be entitled to be reimbursed therefor out of the property of the Trust.

Notwithstanding any other provisions of this Declaration of Trust, the Trust shall have no liability to reimburse any Person for transfer or other taxes or fees payable on the transfer of Units or any income or other taxes assessed against any Person by reason of the acquisition, ownership or disposition of Units, or for any losses suffered by reason of changes in the market value or Net Asset Value of the Trust.

In the exercise of the powers, authorities or discretion conferred upon the Trustees under this Declaration of Trust, the Trustees are and shall be conclusively deemed to be acting as trustees of the Trust Property.

4.10 Reliance

The Trustees shall be entitled to rely on statements, reports, advice or opinions (including financial statements and Auditors' reports) of consultants, the Manager, the Auditors, legal counsel and consultants or agents whose profession gives authority to a statement made by them on the subject in question and who are considered by the Trustees to be competent. The Trustees may rely and act upon any instrument or other document believed by them to be

genuine and in force and shall have no liability to any person as a result of such reliance, except in the case of negligence or wilful misconduct.

4.11 Exculpatory Clauses in Instruments

The Trustees must use reasonable means where practicable to inform all persons having dealings with the Trust of the limitations of liability set forth in Sections 4.9, 18.1, 18.2 and 18.6, and must use reasonable means where practicable to cause to be inserted in any written agreement, undertaking or obligation made or issued on behalf of the Trust an appropriate statement of the disavowal and limitation of liability as set forth in Sections 4.9, 18.1, 18.2 and 18.6, but the omission of such statement from any such instrument will not render any Trustee, any Unitholder or officer, consultant or agent of the Trust liable to any person, nor will any Trustee or any Unitholder or any officer of the Trust be liable to any person for such omission. If, notwithstanding this provision, any Trustee, Unitholder or any officer of the Trust is held liable to any other person by reason of the omission of such statement from any such agreement, undertaking or obligation, such Trustee, Unitholder or officer will be entitled to indemnity out of the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability has been determined, including without limitation, the fees and disbursements of counsel.

4.12 Liability under Contracts

Any written instrument creating an obligation with respect to the Trust will be conclusively taken to have been executed or done by a Trustee only in the capacity of a Trustee under this Declaration of Trust. Any written instrument creating an obligation of the Trust will contain a disavowal of liability upon and waiver of claim against the Trustee or any Unitholder and indicate that the obligations under such instrument are not personally binding upon, nor will resort be had to the private property of any Trustee, any Unitholder, or any director, officer, employee or agent of the Unitholder, but only the Trust Property or a specific portion thereof will be bound. The omission of a provision of the nature described in this Section 4.12 will not operate to impose personal liability on any Trustee, any Unitholders, or any of the officers, employees, agents, heirs, executors or personal representatives of any of them.

4.13 Conflict of Interest

- (a) Subject to Section 19.20, except for such material contracts or transactions described in the Prospectus, if a Trustee or officer of the Trust:
- (i) is a party to a material contract or transaction or proposed material contract or transaction with the Trust (or an affiliate thereof), including a material contract or transaction involving the making or disposition of any investment in real estate or infrastructure assets or a joint venture agreement; or
 - (ii) is a director or officer of, or otherwise has a material interest in, any person who is a party to a material contract or transaction or proposed material contract or transaction with the Trust (or an affiliate thereof),

such Trustee or officer of the Trust shall disclose in writing to the Trustees or request to have entered into the minutes of meetings of the Trustees the nature and extent of such interest as follows:

- (iii) the disclosure required in the case of a Trustee shall be made:
 - (A) at the meeting of Trustees at which a proposed material contract or transaction is first considered;
 - (B) if the Trustee was not then interested in a proposed material contract or transaction, at the first such meeting after he becomes so interested;
 - (C) if the Trustee becomes interested after a material contract is made or a transaction is entered into, at the first meeting after he becomes so interested; or
 - (D) if a person who is interested in a material contract or transaction later becomes a Trustee, at the first such meeting after he becomes a Trustee; and
- (iv) the disclosure required in the case of an officer of the Trust who is not a Trustee shall be made:
 - (A) forthwith after such person becomes aware that the material contract or transaction or proposed material contract or transaction is to be considered or has been considered at a meeting of the Trustees;
 - (B) if such person becomes interested after a material contract is made or transaction is entered into, forthwith after such person becomes aware that he has become so interested; or
 - (C) if a person who is interested in a material contract or a transaction later becomes an officer of the Trust, forthwith after he becomes an officer of the Trust.
- (b) Notwithstanding Subsections 4.13(a)(i) and 4.13(a)(ii), where this Section applies to any person in respect of a material contract or transaction or proposed material contract or transaction that, in the ordinary course of the affairs of the Trust, would not require approval by the Trustees or the Unitholders, such person shall disclose in writing to the Trustees or request to have entered into the minutes of meetings of the Trustees the nature and extent of such person's interest forthwith after such person becomes aware of the material contract or transaction or proposed material contract or transaction.
- (c) A Trustee referred to in this Section 4.13 shall not vote on any resolution to approve the said material contract or transaction unless the material contract or transaction is:
 - (i) one relating primarily to such Trustee's remuneration as a Trustee, officer, employee or agent of the Trust; or
 - (ii) one for indemnity of such Trustee under Section 18.1 hereof or the purchase of liability insurance;

provided, however, that the presence of such Trustee at the relevant meeting or the written recognition by such Trustee of any resolution in writing shall be counted toward any quorum requirement or requirement that at least a minimum number of Trustees act.

- (d) For the purposes hereof, a general notice to the Trustees by a Trustee or an officer of the Trust disclosing that such person is a director or officer of or has a material interest in a person and is to be regarded as interested in any material contract made or any transaction entered into with that person, is a sufficient disclosure of interest in relation to any material contract so made or transaction so entered into. In the event that a meeting of Unitholders is called to confirm or approve a material contract or transaction which is the subject of a general notice to the Trustees, the notice and extent of the interest in the material contract or transaction of the person giving such general notice shall be disclosed in reasonable detail in the notice calling the said meeting of Unitholders or in any information circular to be provided by this Declaration of Trust or by law.
- (e) Where a material contract is made or a material transaction is entered into between the Trust and a Trustee or an officer of the Trust, or between the Trust and another person in which a Trustee or an officer of the Trust is a director or officer or in which he has a material interest:
 - (i) such person is not accountable to the Trust or to the Unitholders for any profit or gain realized from the material contract or transaction; and
 - (ii) the material contract or transaction is neither void nor voidable, by reason only of that relationship or by reason only that such person is present at or is counted to determine the presence of a quorum at the meeting of the Trustees that authorized the material contract or transaction, if such person disclosed such person's interest in accordance with this Section 4.13, and the material contract or transaction was reasonable and fair to the Trust at the time it was so approved.
- (f) Notwithstanding anything in this Section 4.13, but without limiting the effect of Subsection 4.13(c) hereof, a Trustee or an officer of the Trust, acting honestly and in good faith, is not accountable to the Trust or to the Unitholders for any profit or gain realized from any such material contract or transaction by reason only of such person holding such office or position, and the material contract or transaction, if it was reasonable and fair to the Trust at the time it was approved, is not by reason only of such person's interest therein void or voidable, where:
 - (i) the material contract or transaction is confirmed or approved at a meeting of Unitholders duly called for that purpose; and
 - (ii) the nature and extent of such person's interest in the material contract or transaction are disclosed in reasonable detail in the notice calling the meeting or in any information circular to be provided by this Declaration of Trust or by law.
- (g) Subject to Subsections 4.13(c), 4.13(e) and 4.13(f) hereof, where a Trustee or an officer of the Trust fails to disclose such person's interest in a Material Agreement or material contract or transaction in accordance with this Declaration of Trust or otherwise fails to comply with this Section 4.13, any Trustee or any Unitholder, in addition to exercising any other rights, or remedies in connection with such failure exercisable at law or in equity, may apply to a court for an order setting aside the material contract or transaction and directing that such person account to the Trust for any profit or gain realized.

4.14 Decisions of the Trustees and the Independent Trustees

All decisions of the Trustees will require the approval of a majority of the Trustees present in person or by phone at a meeting of the Trustees, except for each of the following matters which will also require the approval of a majority of the Independent Trustees:

- (a) an acquisition of a property or an investment in a property, whether by co-investment or otherwise, in which a Starlight entity or any related party of the Trust has any direct or indirect interest, whether as owner, operator or manager;
- (b) an investment in securities of one or more issuers for which the Manager or its affiliates acts as manager or portfolio manager;
- (c) a material change to any agreement with a related party of the Trust or the Manager or any renewal, extension or termination thereof or any increase in any fees (including any transaction fees) or distributions payable thereunder;
- (d) any new fees or arrangements to be entered into with any related party of the Trust or the Manager not contemplated in the Management Agreement;
- (e) the entering into of, or the waiver, exercise or enforcement of any rights or remedies under, any agreement entered into by the Trust, or the making, directly or indirectly, of any co-investment, in each case with (i) any Trustee, (ii) any entity directly or indirectly controlled by any Trustee or in which any Trustee holds a significant interest, or (iii) any entity for which any Trustee acts as a director or other similar capacity;
- (f) the refinancing, increase or renewal of any indebtedness owed by or to (i) any Trustee, (ii) any entity directly or indirectly controlled by any Trustee or in which any Trustee holds a significant interest, or (iii) any entity for which any Trustee acts as a director or other similar capacity; and
- (g) decisions relating to any claims by or against one or more parties to any agreement with any related party of the Trust or the Manager.

In connection with any transaction involving the Trust, including any transaction which requires the approval of a majority of the Independent Trustees, the Trustees shall have the authority to retain external legal counsel, consultants or other advisors to assist it in negotiating and completing such transaction without consulting or obtaining the approval of any officer of the Trust.

4.15 Conditions Precedent

The obligation of the Trustees to commence or continue any act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding shall be conditional upon sufficient funds being available to the Trustees from the Trust Property to commence or continue such act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding and an indemnity reasonably satisfactory to the Trustees to protect and hold harmless the Trustees against the costs, charges and expenses and liabilities to be incurred therein and any loss and damage it may suffer by reason thereof. None of the provisions contained in this Declaration of Trust shall require the Trustees to expend or risk their own funds or otherwise incur financial

liability in the performance of their duties or in the exercise of any of their rights or powers unless they are given an indemnity and funding satisfactory to the Trustees, acting reasonably.

ARTICLE 5 OFFICERS OF THE TRUST

5.1 General

The Trust shall have a Chair of Trustees, and may have one or more other officers as the Trustees may appoint from time to time, including without limitation a Chief Executive Officer and Chief Financial Officer. Any officer of the Trust, other than the Chair of Trustees may, but need not be, a Trustee. One person may hold two or more offices. Officers of the Trust may be appointed and, without prejudice to rights under any employment contract, removed or discharged, and their powers, responsibilities and remuneration determined by the Trustees and, in the absence of such determination, their responsibilities shall be those usually applicable to the office held.

5.2 Chair of Trustees

The Chair of Trustees shall be appointed from among the Trustees provided that the Chair of Trustees shall be a non-executive appointment. When present, the Chair of Trustees shall be chairperson of meetings of Trustees and Unitholders and shall have such other powers and duties as the Trustees may determine from time to time to manage the affairs of the Trustees and monitor the effectiveness of the Trustees.

5.3 Term of Office

The Chair of Trustees and any officer appointed by the Trustees shall hold such position until his or her successor is elected or appointed, provided, without prejudice to rights under any employment contract, that the Trustees may at any time remove an officer from office at any time in their sole discretion.

5.4 Independent Contractors

Any office of the Trust appointed by the Trustees may be held by an individual who is not an employee of the Trust but has been retained by the Trust to hold such office pursuant to an independent service agreement entered into between the Trust and that individual or that individual's employer.

ARTICLE 6 THE MANAGER

6.1 Management of the Trust

The Trust is hereby authorized to enter into a management agreement with the Manager (the "**Management Agreement**") containing terms set out in the Prospectus and such other terms as may be determined by the Trustees and delegating to the Manager responsibility for the services set out therein. Pursuant to the Management Agreement, the Manager will have discretion to administer and manage the day-to-day operations of the Trust, act as agent for the Trust, execute documents on behalf of the Trust and to make decisions which conform to general policies and general principles set forth herein or established by the Trustees. The

Manager shall have the powers and duties expressly provided for herein and in the Management Agreement, and the Manager will have the power to further delegate administration of the Trust where in the discretion of the Manager it is in the best interests of the Trust and the Unitholders to do so, provided that the Manager shall not be relieved of its obligations in respect of the matters so delegated. To the extent that there is any conflict or inconsistency between the provisions of this Declaration of Trust and the provisions of such Management Agreement, the provisions of this Declaration of Trust shall govern. No manager of the Trust shall be a person who: (i) is Non-Resident, or (ii) does not agree to carry out its functions of managing the Trust in Canada.

6.2 Standard of Care of Manager

The Manager shall exercise its powers and discharge its duties diligently, honestly, in good faith and with a view to the best interests of the Trust and the Unitholders and shall exercise the standard of care, diligence and skill that a reasonably prudent person would exercise in the circumstances. Subject to the foregoing, the Manager shall not be required to devote its full time and attention to the affairs of the Trust but need only devote such time as it may deem appropriate or necessary to discharge its duties under this Declaration of Trust and the Management Agreement in a responsible manner.

6.3 Services of Manager

The Manager has the authority to manage the day-to-day activities of the Trust and, as applicable, any entity which the Trust may control from time to time, including the Public Portfolio LP, in accordance with the terms of the Management Agreement. If requested by the Trust, the Manager shall provide services to any subsidiary or subsidiaries of the Trust.

6.4 Liability of Trustees

Subject to applicable law, the Trustees shall have no liability or responsibility for any matters delegated to the Manager or Investment Manager hereunder or under the Management Agreement or Investment Management Agreement, and the Trustees, in relying on the Manager and Investment Manager shall be deemed to have complied with their obligations under Section 4.5 and shall be entitled to the benefit of the indemnity provided in Section 18.1.

ARTICLE 7 INVESTMENT OBJECTIVES AND INVESTMENT RESTRICTIONS

7.1 Investment Objectives and Investment Strategy

The Trust's investment objective is to provide Unitholders with stable monthly cash distributions and long-term capital appreciation through exposure to institutional quality real assets in the global real estate and global infrastructure sectors.

To achieve its objectives, the Trust will invest no less than 60% of the net capital raised into its subsidiary, the Public Portfolio LP, that will hold an actively managed global portfolio of real estate and infrastructure securities, managed by the Investment Manager. The Trust also intends to invest in global real estate properties and global infrastructure assets in the Private Portfolio. Subject to compliance with applicable law and the restrictions described in Section 7.2, the Trust may in certain circumstances make or increase an investment in the Private Portfolio with a view to acquiring control or significant influence positions.

7.2 Investment Restrictions

Notwithstanding any other provision hereof, the assets of the Trust may be invested only with the approval of the Trustees and only in accordance with the following restrictions. The Trust may not:

- (i) purchase securities, other than securities of public and private issuers operating in, or that derive a significant portion of their revenue or earnings from, the global residential and commercial real estate sectors and the global infrastructure sector;
- (ii) invest more than 40% (at the time of investment) of its total assets in securities of private issuers (other than securities of the Public Portfolio LP or other wholly-owned subsidiaries);
- (iii) invest more than 20% (at the time of investment) of its total assets in securities of any single issuer other than (i) securities issued or guaranteed by the government of Canada or a province or territory thereof or securities issued or guaranteed by the U.S. government or its agencies and instrumentalities, (ii) the Public Portfolio LP, or (iii) wholly-owned subsidiaries;
- (iv) make any investment or conduct any activity that would result in the Trust failing to qualify as a “mutual fund trust” within the meaning of the Tax Act, or that would result in the Trust acquiring or holding “non-portfolio property” or otherwise becoming a “SIFT trust” within the meaning of the Tax Act;
- (v) borrow money or employ any other forms of leverage in the Public Portfolio greater than 15% of the Net Asset Value of the Public Portfolio; obtain leverage in the Private Portfolio of greater than 75% of the fair market value (at the time of investment) of any direct real estate held in the Private Portfolio either directly or indirectly through an investment vehicle or greater than 90% of the fair market value (at the time of investment) of any direct infrastructure held in the Private Portfolio either directly or indirectly through an investment vehicle;
- (vi) issue Preferred Units until the later of (i) January 1, 2021 and (ii) the date at which the Net Asset Value of the Trust reaches \$500,000,000. The number of Preferred Units that the Trust may issue is limited to such number of Preferred Units with an aggregate Preferred Unit redemption price equal to 25% of the Net Asset Value of the Trust, after giving effect to the offering of such Preferred Units, and shall not constitute leverage for the purposes of (v) above;
- (vii) have short exposure, other than for purposes of hedging, in excess of 20% of the total assets of the Trust as determined on a daily marked-to-market basis;
- (viii) hold or acquire an interest as a member of a partnership unless the liability of the Fund as a member of such partnership is limited by operation of applicable law within the meaning of subsection 253.1(1) of the Tax Act;
- (ix) invest in or hold (i) securities of or an interest in any non-resident entity, an interest in or a right or option to acquire such property, or an interest in a partnership which holds any such property if the Trust (or the partnership) would be required to include any significant amounts in income pursuant to section 94.1 of the Tax Act, (ii) an

- interest in a trust (or a partnership which holds such an interest) which would require the Trust (or the partnership) to report income in connection with such interest pursuant to the rules in section 94.2 of the Tax Act, or (iii) any interest in a non-resident trust (or a partnership which holds such an interest) other than an “exempt foreign trust” for the purposes of section 94 of the Tax Act; and
- (x) enter into any arrangement (including the acquisition of securities for the Portfolio) where the result is a “dividend rental arrangement” for the purposes of the Tax Act, or engage in securities lending that does not constitute a “securities lending arrangement” for purposes of the Tax Act.

If a percentage restriction on investment or use of assets set forth above is adhered to at the time of the transaction, later changes to the market value of the investment or the total assets of the Trust will not be considered a violation of the restriction (except for the restrictions in paragraphs (iv), (ix) or (x)). If the Trust receives from an issuer, subscription rights to purchase securities of that issuer, and if the Trust exercises such subscription rights at a time when the Trust’s Portfolio holdings of securities of that issuer would otherwise exceed the limits set forth above, it will not constitute a violation if, prior to receipt of securities upon exercise of such rights, the Trust has sold at least as many securities of the same series and value as would result in the restriction being complied with.

For the purpose of the foregoing restrictions, the assets, liabilities and transactions of a corporation or other entity wholly or partially-owned and controlled by the Trust will be deemed to be those of the Trust, except in the case of paragraphs (iv), (viii), (ix) or (x) of the investment restrictions to the extent such deemed ownership would be inconsistent with the applicable requirements of the Tax Act, and they will be accounted for in accordance with the methods prescribed by IFRS. In addition, any references in the foregoing to investment in real property will be deemed to include an investment in a joint venture arrangement that invests in real property.

7.3 Amendments to Investment Objectives and Investment Restrictions

The investment objectives set out in Section 7.1 and the investment restrictions set out in Section 7.2 may be amended only with the approval of a majority of the votes cast by Unitholders at a meeting called for such purpose.

7.4 Tax Status

The Trustees shall cause the Trust to elect, in its return of income for the first Taxation Year of the Trust, pursuant to Subsection 132(6.1) of the Tax Act, that the Trust be deemed to be a “mutual fund trust” for the purposes of the Tax Act from the date it was established, provided that prior to filing such return of income the Trust has sufficient Unitholders so as to be entitled to make such election and has otherwise complied with the requirements thereof. Notwithstanding anything else contained in this Declaration of Trust, the Trust shall not make any investment, take any action or omit to take any action that would result in the Trust (i) failing or ceasing to qualify as a “mutual fund trust” within the meaning of the Tax Act, or (ii) becoming a SIFT Trust.

7.5 Regulatory Matters

If at any time a government or regulatory authority having jurisdiction over the Trust or any Trust Property shall enact any law, regulation or requirement which is in conflict with any investment restriction of the Trust then in force, such restriction in conflict shall, if the Trustees on the advice of legal counsel to the Trust so resolve, be deemed to have been amended to the extent necessary to resolve any such conflict and, notwithstanding anything to the contrary herein contained, any such resolution of the Trustees shall not require the prior approval of Unitholders.

ARTICLE 8 UNITS

8.1 Units

- (a) The capital of the Trust shall be divided into an unlimited number of Units of each series, initially consisting of Series A Units, Series C Units and Series F Units, which shall be entitled to the rights and subject to the limitations, restrictions and conditions set out herein. Each Unit shall vest indefeasibly in the holder thereof and the interest of each Unitholder shall be determined by the number of Units registered in the name of the Unitholder. The number of Units of each series that the Trust may issue shall be unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Trustees without notice to or approval of the Unitholders.
- (b) Except as described below, each Unit entitles the holder to the same rights and obligations and no Unitholder is entitled to any privilege, priority or preference in relation to any other holder of Units, subject to (i) the proportionate entitlement of each holder of Series A Units, Series C Units and Series F Units to receive proceeds upon termination of the Trust, based on such holder's share of the Proportionate Series A Interest, Proportionate Series C Interest, and Proportionate Series F Interest, respectively (subject in each case to adjustment to reflect the Unit Series Expenses allocable to each respective series), (ii) a proportionate allocation of income or loss of the Trust in accordance with Section 12.3 and (iii) distributions of income and/or capital gains to redeeming Unitholders as contemplated by Section 13.7.
- (c) Each Unitholder is entitled to one vote per Unit held and, subject to Section 9.5, votes of Unitholders will be conducted with holders of each series of Units voting together as a single series.
- (d) On termination or liquidation of the Trust, each Unitholder of record is entitled to receive on a proportionate basis based on such holder's share of the Proportionate Series A Interest and/or Proportionate Series C Interest and/or Proportionate Series F Interest, respectively, (subject in each case to adjustment to reflect the Unit Series Expenses allocable to each respective series) all of the assets of the Trust remaining after payment of or provisions made for all debts, liabilities and liquidation expenses of the Trust.

8.2 Consideration for Units

Units shall not be issued for net proceeds per Unit less than the most recent Net Asset Value per Unit of the applicable series, calculated prior to the pricing of such issuance. No Units shall be issued other than as fully paid. A Unit shall not be fully paid until the consideration therefor

has been received in full by or on behalf of the Trust. The consideration for any Unit shall be paid in money or in property or in past services that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Trustees may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust.

8.3 Pre-Emptive Rights

Subject to any binding agreement entered into by the Trust, no person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust.

8.4 Fractional Units

The Trust shall not issue fractional Units. Fractional amounts will be rounded down to the nearest whole number of Units.

8.5 Allotment and Issue

The Trustees may allot and issue Units at such time or times and in such manner (including, without limitation, as consideration for the acquisition of new properties or assets, at a price or for such consideration as determined by the Trustees) and for such consideration and to such person, persons or class of persons as the Trustees in their sole discretion shall determine. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Trustees allotting and issuing such Units shall express the fair equivalent in money of the other consideration received. The price or value of the consideration for which Units may be issued will be determined by the Trustees in their sole discretion, generally in consultation with investment dealers or brokers who may act as agents in connection with offerings of Units.

8.6 Redesignation

- (a) At the discretion of the Manager, Series A Units may be redesignated into Series C Units on a Redesignation Date at the option of the Unitholder in accordance with this Section 8.6(a). A redesignation will not be permitted unless a minimum of 25,000 Series A Units are redesignated. Each Series A Unit so redesignated will be redesignated into that number of Series C Units having a Net Asset Value equal to the Net Asset Value of the Series A Unit. Any fractional amounts will be rounded down to the nearest whole number of Series C Units.
- (b) Series C Units may be redesignated into Series A Units on a Redesignation Date at the option of the Unitholder in accordance with this Section 8.6(b). A redesignation will not be permitted unless a minimum of 25,000 Series C Units are redesignated. Each Series C Unit so redesignated will be redesignated into that number of Series A Units having a Net Asset Value equal to the Net Asset Value of the Series C Unit. Any fractional amounts will be rounded down to the nearest whole number of Series A Units.
- (c) Series F Units will be automatically redesignated into Series A Units or, at the option of the Unitholder, into Series C Units, on the first Redesignation Date following issuance of such Series F Units in accordance with this Section 8.6(c). Each Series F Unit so

redesignated will be redesignated into that number of Series A Units or Series C Units, as applicable, having a Net Asset Value equal to the Net Asset Value of the Series F Unit. Any fractional amounts will be rounded down to the nearest whole number of Series A Units or Series C Units, as applicable.

- (d) A Unitholder who desires to redesignate Units must do so by causing a CDS Participant to deliver to CDS, on behalf of the Unitholder, a notice (the “**Redesignation Notice**”) at least 10 business days prior to the relevant Redesignation Date showing the owner’s intention to redesignate Units. Such notice will be irrevocable except as otherwise provided herein. Any expense associated with the preparation and delivery of the Redesignation Notices will be for the account of the Unitholder redesignating their Units.
- (e) Any Redesignation Notice which CDS determines to be incomplete, not in proper form or not duly executed will for all purposes be void and of no effect and the redesignation privilege to which it relates will be considered for all purposes not to have been exercised thereby. A failure by a CDS Participant to exercise redesignation privileges or to give effect to the settlement thereof in accordance with the owner’s instructions will not give rise to any obligations or liability on the part of the Trust to the CDS Participant or the owner.
- (f) Notwithstanding the above, a redesignation of Series A Units into Series C Units shall not be permitted if such redesignation would result in the number of Series A Units issued and outstanding being equal to or less than the greater of: (i) the minimum public float required to satisfy the minimum listing requirements of the Exchange; or (ii) 25% of the total Units issued and outstanding. In addition, a redesignation of any series of Units shall not be permitted if such redesignation would cause the Trust to cease to qualify as a mutual fund trust for purposes of the Tax Act.

8.7 Rights, Warrants and Options

The Trust may create and issue rights, warrants or options or other instruments or securities to subscribe for fully paid Units which rights, warrants, options, instruments or securities may be exercisable at such subscription price or prices and at such time or times as the Trustees may determine. The rights, warrants, options, instruments or securities so created may be issued for such consideration or for no consideration, all as the Trustees may determine. A right, warrant, option, instrument or security shall not be a Unit and a holder thereof shall not be a Unitholder.

Subject to the provisions of Article 7 hereof, the Trustees may create and issue indebtedness of the Trust in respect of which interest, premium or principal payable thereon may be paid, at the option of the Trust or the holder, in fully paid Units, or which indebtedness, by its terms, may be convertible into Units at such time and for such prices as the Trustees may determine. Any indebtedness so created shall not be a Unit and a holder thereof shall not be a Unitholder unless and until fully paid Units are issued in accordance with the terms of such indebtedness.

8.8 Commissions and Discounts

The Trustees may provide for the payment of commissions or may allow discounts to persons in consideration of their subscribing or agreeing to subscribe, whether absolutely or conditionally, for Units or other securities issued by the Trust or of their agreeing to procure subscriptions therefor, whether absolute or conditional.

8.9 Valuation Date

The Net Asset Value of the Trust and Net Asset Value for each series of Units shall be determined as of the Valuation Time on each Valuation Date.

8.10 Investment Entity

The Trust intends to be categorized as an investment entity under IFRS 10 — Consolidated Financial Statements (“**IFRS 10**”) and will report the Trust’s investments in its financial statements on that basis. As such, all investments including those that the Trust has or may have control or significant influence over will be valued at fair value in accordance with the valuation rules in Section 8.12.

8.11 Method of Determining Value

The Net Asset Value of the Trust is calculated by determining the total value of Trust’s assets and subtracting the Trust’s liabilities. A separate Net Asset Value is calculated for each series of Units by determining the total value of the Trust’s assets attributable to each series and subtracting the Trust’s liabilities attributable to each such series. The value of a Unit of a series is established by dividing the applicable Net Asset Value of the series by the number of Units of the series (including fractional securities) owned by Unitholders on that Valuation Date.

8.12 Valuation Rules

The value of the assets held by the Trust is determined as follows:

- (a) the value of any cash on hand or on deposit, bills, demand notes, accounts receivable, prepaid expenses (where such expenses are paid by the Trust), cash dividends received (or to be received and declared to Unitholders of record on a date before the date as of which the Net Asset Value of the Trust is being determined), and interest accrued and not yet received, shall be deemed to be the full amount thereof unless the Manager shall have determined that any such asset is not worth the full amount thereof, in which event, the value thereof shall be deemed to be such value as the Manager shall determine to be the fair value thereof;
- (b) the value of any security which is listed or dealt in upon a stock exchange shall be determined by: (a) in the case of a security which was traded on the day as of which the Net Asset Value is being determined, the closing sale price; (b) in the case of a security which was not traded on the day as of which the Net Asset Value is being determined, a price which is the average of the closing recorded bid and ask prices; or (c) if no bid or ask quotation is available, the price last determined for such security for the purpose of calculating the Net Asset Value of the Trust. The value of inter-listed securities shall be computed in accordance with directions laid down from time to time by the Manager; provided however that if, in the opinion of the Manager, stock exchange or over-the-counter quotations do not properly reflect the prices which would be received by the Trust upon the disposal of shares or securities necessary to effect any redemptions of securities, the Manager may place such value upon such shares or securities as appears to the Manager to most closely reflect the fair value of such shares or securities;
- (c) the value of an underlying fund shall be the net asset value per security held by the Trust as of the end of the business day;

- (d) the value of any security, the resale of which is restricted or limited by reason of a representation, undertaking or agreement by the Trust or by the predecessor in title of the Trust, shall be the lesser of: (i) the value based on a reported quotation in common use; and (ii) that percentage of the market value of securities of the same class, the resale of which is not restricted or limited by reasons of any representation, undertaking or agreement, equal to the percentage that the acquisition cost of the Trust was of the market value of such securities at the time of acquisition, provided that a gradual taking into account of the actual value of the securities may be made when the date on which the restrictions will be lifted is known;
- (e) the value of all assets of the Trust valued in terms of a currency other than Canadian currency and liabilities payable in a currency other than Canadian currency shall be translated to Canadian currency using the applicable rate of exchange as quoted by customary banking sources on the date of valuation;
- (f) upon writing any covered clearing corporation option, option on futures or over-the-counter option, the premium received by the Trust shall be reflected as a deferred credit that shall be valued at an amount equal to the current market value of the clearing corporation option, option on futures or over-the-counter option that would have the effect of closing the position. Any difference resulting from revaluation shall be treated as an unrealized loss or gain on investment. The deferred credit will be deducted in calculating the Net Asset Value of the Trust. Any securities that are the subject of a written option shall be valued at their current market value;
- (g) a long position in an option or a debt like security shall be valued at the current market value of the position;
- (h) the value of a forward contract or swap shall be the gain or loss on the contract that would be realized if, on the date that valuation is made, the position in the forward contract or swap were to be closed out;
- (i) the value of a standardized future shall be, if daily limits imposed by the futures exchange through which the standardized future was issued are not in effect, the gain or loss on the standardized future that would be realized if, on the date that valuation is made, the position in the standardized future were to be closed out; or if daily limits imposed by the futures exchange through which the standardized future was issued are in effect, based on the current market value of the underlying interest of the standardized future;
- (j) margin paid or deposited in respect of standardized futures or forward contracts shall be reflected as an account receivable and, if not in the form of cash, shall be noted as held for margin;
- (k) each transaction of purchase or sale of portfolio securities effected by the Trust or series shall be reflected in the computation of the Net Asset Value of the Trust or series, as applicable, not later than the first computation of the Net Asset Value of the Trust or series made after the date on which the transaction becomes binding;
- (l) the issue or redemption of Units of the Trust or series shall be reflected in the computation of the Net Asset Value of the Trust or series not later than the next computation of the Net Asset Value of the Trust or series made after the time as at

which the Net Asset Value per Unit of series is determined for the purpose of the issue or redemption of the units of the Trust or series;

- (m) the value of any security which is traded on an over-the-counter market will be the closing sale price on the valuation date, or if there is no such sale price, the average of the bid and the ask prices at that time, all as reported in the financial press;
- (n) fixed-income securities listed on a public securities exchange shall be valued at their closing price or last sale price before the valuation time on that trading day, or if there is no closing price and if no sale is reported to have taken place before the valuation time on that trading day, at the average of the last bid and ask prices before that time on that trading day;
- (o) the value of any security or other asset for which a market quotation is not readily available will be its fair market value on the Valuation Date on which the Net Asset Value of the Trust is being determined as determined by the Manager (generally the Manager will value such security or other asset at cost until there is a clear indication of an increase or decrease in value); and
- (p) if any investment cannot be valued under the foregoing rules or if the foregoing rules are at any time considered by the Manager to be inappropriate under the circumstances, then notwithstanding the foregoing rules, the Manager shall make such valuation on such basis as it considers fair and reasonable.

The liabilities of the Trust include:

- (i) all bills and accounts payable;
- (ii) all operating expenses payable and/or accrued;
- (iii) all obligations for the payment of money or property, including the amount of any declared but unpaid distributions;
- (iv) all allowances authorized or approved by the Manager for taxes or contingencies; and
- (v) all other liabilities of the Trust of whatever kind and nature, except liabilities represented by outstanding Units of the Trust and the balance of any undistributed income or capital gains.

The liabilities of each series include the proportionate share of all common Trust liabilities and the liabilities incurred exclusively by that series.

8.13 Transferability

The Units are freely transferable and, except as stipulated in Section 8.14, the Trustees shall not impose any restriction on the transfer of Units by any Unitholder except with the consent of such Unitholder.

8.14 Transfer of Units

- (a) Subject to the provisions of this Article 8, the Units shall be for all purposes of the Trust and this Declaration of Trust, personal and moveable property, and the Units shall be fully transferable without charge as between persons, but no transfer of Units shall be effective as against the Trustees or shall be in any way binding upon the Trustees until the transfer has been recorded on the Register maintained by the Trustees, the Trust or the Transfer Agent. No transfer of a Unit shall be recognized unless such transfer is of a whole Unit.
- (b) Subject to the provisions of this Article 8, Units shall be transferable on the Register only by the holders of record thereof or their executors, administrators or other legal representatives or by their agents or attorneys duly authorized in writing, and only upon delivery to the Trust or to the Transfer Agent of the certificate therefor, properly endorsed or accompanied by a duly executed instrument of transfer or power of attorney and accompanied by all necessary transfer or other taxes imposed by law, together with such evidence of the genuineness of such endorsement, execution and authorization and other matters that may reasonably be required by the Trustees or the Transfer Agent. Upon such delivery the transfer shall be recorded on the Register or branch transfer registers and a new Unit Certificate for the Units shall be issued to the transferee and a new Unit Certificate for the balance of Units not transferred shall be issued to the transferor.
- (c) Unit Certificates representing any number of Units may be exchanged without charge for Unit Certificates representing an equivalent number of Units in the aggregate. Any exchange of Unit Certificates may be made at the offices of the Trust or the Transfer Agent where registers are maintained for Unit Certificates pursuant to the provisions of this Article 8. Any Unit Certificates tendered for exchange shall be surrendered to the Trustees or appropriate Transfer Agent and then shall be cancelled.

8.15 Non-Resident Ownership Constraint

At no time may Non-Residents be the beneficial owners of a majority of the Units then outstanding (on a number of Units or fair market value basis) and the Manager will inform the Transfer Agent and Registrar of this restriction. The Manager may require declarations as to the jurisdictions in which beneficial owners of Units are resident for the purposes of the Tax Act. If the Manager becomes aware, as a result of requiring such declarations as to beneficial ownership or otherwise, that the beneficial owners of 40% of the Units then outstanding (on a number of Units or fair market value basis) are, or may be, Non-Residents or that such a situation is imminent, the Manager may make a public announcement thereof. If the Manager determines that more than 40% of the Units (on either a number of Units or fair market value basis) are beneficially held by Non-Residents, the Manager may send a notice to such Non-Residents, chosen in inverse order to the order of acquisition or in such other manner as the Manager may consider equitable and practicable, requiring them to sell their Units or a portion thereof within a specified period of not less than 30 days. If the Unitholders receiving such notice have not sold the specified number of Units or provided the Manager with satisfactory evidence that they are not Non-Residents within such period, the Manager may on behalf of such Unitholders sell such Units without further notice and, in the interim, shall suspend the voting and distribution rights attached to such Units. Upon such sale, the affected holders shall cease to be beneficial holders of Units and their rights shall be limited to receiving the net

proceeds of sale of such Units. The Manager shall have no liability for the amount received provided that the Manager acts in good faith.

For greater certainty, the Manager may sell Units in accordance with the terms hereof despite the fact that the Manager does not possess the Unit Certificate or Unit Certificates, if any, representing the Units at the time of the sale. Where, in accordance with this Section 8.15, Units are sold by the Manager without possession of the Unit Certificate or Unit Certificates, if any, representing the same and, after the sale, a person establishes that it is a *bona fide* purchaser without notice of the Units from the Unitholder, then, subject to applicable law:

- (a) the Trust shall be entitled to treat the Units so purchased by the *bona fide* purchaser as validly issued and outstanding Units in addition to the Units sold by the Manager; and
- (b) notwithstanding any other provisions of this Declaration of Trust, the Trust is entitled to the proceeds from such sale and shall add the sale proceeds to the capital account maintained by the Trust in respect of outstanding Units.

The Manager shall have the sole right and authority to make any determination required or contemplated under this Section 8.15. The Manager shall make all determinations necessary for the administration of the provisions of this Section 8.15 and, without limiting the generality of the foregoing, if the Manager considers that there are reasonable grounds for believing that a contravention of the non-resident ownership restriction has occurred or will occur, the Manager shall make a determination with respect to the matter. Any such determination shall be conclusive, final and binding except to the extent modified by any subsequent determination by the Manager. Notwithstanding the foregoing, the Manager may determine not to take any of the actions described above if the Manager has been advised by legal counsel that the failure to take any of such actions would not adversely impact the status of the Trust as a mutual fund trust for purposes of the Tax Act or, alternatively, may take such other action or actions as may be necessary to maintain the status of the Trust as a mutual fund trust for purposes of the Tax Act.

8.16 Book-Based System

The provisions of this Section 8.16 shall not in any way alter the nature of Units or the relationships of a Unitholder to the Trustees and of one Unitholder to another but are intended only to facilitate the issuance of certificates evidencing the ownership of Units, if desirable to issue them to Unitholders, and the recording of all transactions in respect of Units and Unit Certificates whether by the Trust, securities dealers, stock exchanges, transfer agents, registrars or other persons.

At the option of the Trustees, one or more Global Unit Certificates (each a “**Global Unit Certificate**”) may be issued in the name of and deposited by the Transfer Agent with, or on behalf of, CDS as custodian of such Global Unit Certificate and registered by the Transfer Agent in the name of CDS or its nominee. No beneficial holder of Units represented in part by a Global Unit Certificate will be entitled to a certificate or other instrument from the Trust or CDS evidencing that beneficial holder’s ownership thereof except in the circumstances where CDS resigns or is removed from its responsibilities as depository and the Trust is unable or does not wish to locate a qualified successor. Beneficial interests in a Global Unit Certificate will be represented only through the Book-Entry System. Transfers of Units between CDS Participants shall occur in accordance with CDS’s rules and procedures.

Units issued in the form of a Global Unit Certificate will be issued in fully registered form to holders or their nominees, other than CDS or its nominee, only if: (i) the Trust is required to do so by applicable law; (ii) the depository system of CDS ceases to exist; (iii) the Trust determines that CDS is no longer willing or able or qualified to discharge properly its responsibility as depository and the Trust is unable to locate a qualified successor; or (iv) the Trust at its option elects to terminate the Book-Entry System in respect of such Units through CDS.

All references herein to actions by, notices given or payments made to Unitholders shall, where such Units are held through CDS, refer to actions taken by, or notices given or payments made to, CDS upon instruction from the CDS Participants in accordance with CDS's rules and procedures. For the purposes of any provision hereof requiring or permitting actions with the consent of or at the direction of Unitholders evidencing a specified percentage of the aggregate Units outstanding, such direction or consent may be given by Unitholders acting through CDS and the CDS Participants owning Units evidencing the requisite percentage of the Units. The rights of a Unitholder whose Units are held through CDS shall be exercised only through CDS and the CDS Participants and shall be limited to those established by law and agreements between such Unitholders and CDS and/or the CDS Participants or upon instruction from the CDS Participants. Each of the Transfer Agent and the Trustees may deal with CDS for all purposes (including the making of payments) as the authorized representative of the respective Unitholders and such dealing with CDS shall constitute satisfaction or performance, as applicable, towards their respective obligations hereunder.

For so long as Units are held through CDS, if any notice or other communication is required to be given to Unitholders holding such Units, the Trustees and the Transfer Agent will give all such notices and communications to CDS.

If CDS resigns or is removed from its responsibilities as depository and the Trustees are unable or do not wish to locate a qualified successor, CDS shall surrender the Global Unit Certificate to the Transfer Agent with instructions from CDS for registration of Units in the name and in the amounts specified by CDS and the Trust shall issue and the Trustees and Transfer Agent shall execute and deliver the aggregate number of Units then outstanding in the form of definitive Unit Certificates representing such Units.

8.17 Non-Certificated Inventory

Notwithstanding any provision in this Declaration of Trust and despite any approval by the Trustees of a form of Global Unit Certificate, any or all Units may be represented by an electronic entry in the NCI System or represented by such other evidence as is satisfactory to the Transfer Agent and CDS and any reference to "global certificate" in this Agreement shall be read as also referring to any entry in the NCI System, subject to any modifications to such provisions as is necessary in such context.

8.18 Certificate Fee

The Trustees may establish a reasonable fee to be charged for every Unit Certificate issued.

8.19 Form of Unit Certificate

The form of certificate representing Units and the instrument of transfer, if any, on the reverse side thereof shall be in such form as is from time to time authorized by the Trustees.

8.20 Unit Certificates

- (a) Unit Certificates shall, subject to the provisions hereof, be in such form as is authorized from time to time by the Trustees.
- (b) If issued, Unit Certificates are issuable only in fully registered form.
- (c) The definitive form of the Unit Certificates shall:
 - (i) be in the English language or in the English language and the French language;
 - (ii) be dated as of the date of issue thereof; and
 - (iii) contain such distinguishing letters and numbers as the Trustees shall prescribe.
- (d) In the event that the Unit Certificate is translated into the French language and any provision of the Unit Certificate in the French language shall be susceptible to an interpretation different from the equivalent provision in the English language, the interpretation of such provision in the English language shall be determinative.
- (e) Each Unit Certificate shall be signed on behalf of the Trustees and, unless otherwise decided by the Trustees, signed or certified by the Transfer Agent of the Trust. The signature of the Trustees required to appear on such certificate may be printed, lithographed or otherwise mechanically reproduced thereon and, in such event, certificates so signed are as valid as if they had been signed manually. If a Unit Certificate contains the printed or mechanically reproduced signature of a person, then the Trust may issue the Unit Certificate even though such person has ceased to be a Trustee or an authorized representative thereof and such Unit Certificate is valid as if such person continued to be a Trustee or an authorized representative thereof at the date of its issue.

8.21 Contents of Unit Certificates

- (a) Until otherwise determined by the Trustees, each Unit Certificate shall legibly set forth on the face thereof, *inter alia*, the following:
 - (i) the name of the Trust and the words “A trust governed under the laws of the Province of Ontario governed by an Amended and Restated Declaration of Trust made the 13th day of December, 2018, as amended and restated from time to time” or words of like effect;
 - (ii) the name of the person to whom the Unit Certificate is issued as Unitholder;
 - (iii) the number of Units represented thereby and whether or not the Units represented thereby are fully paid;
 - (iv) that the Units represented thereby are transferable;
 - (v) the words “The Units represented by this certificate are issued upon the terms and subject to the conditions of the Declaration of Trust, which Declaration of Trust is binding upon all holders of Units and, by acceptance of this certificate,

the holder assents to the terms and conditions of the Declaration of Trust. A copy of the Declaration of Trust, pursuant to which this certificate and the Units represented thereby are issued, may be obtained by a Unitholder on demand and without fee from the head office of the Trust” or words of like effect; and

- (vi) the words “For information as to personal liability of a Unitholder, see the reverse side of this certificate” or words of like effect.
- (b) Until otherwise determined by the Trustees, each such certificate shall legibly set forth on the reverse side thereof, *inter alia*, the following:
- (i) the words “The Declaration of Trust provides that no Unitholder shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with the assets of the Trust or the obligations or the affairs of the Trust and all such persons shall look solely to the assets of the Trust for satisfaction of claims of any nature arising out of or in connection therewith and the assets of the Trust only shall be subject to levy or execution”, or words of like effect; and
 - (ii) appropriate forms of notice of exercise of the right of redemption and of powers of attorney for transferring Units.

The Unit Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustees may determine.

8.22 Register of Unitholders

A register (the “**Register**”) shall be kept at the principal office in Toronto, Ontario of the Transfer Agent, which Register shall contain the names and addresses of the Unitholders, the respective numbers of Units held by them, the certificate numbers of certificates representing such Units and a record of all transfers and redemptions thereof. Only Unitholders whose certificates are so recorded shall be entitled to receive distributions or to exercise or enjoy the rights of Unitholders hereunder. The Trustees shall have the right to treat the person registered as a Unitholder on the Register as the owner of such Units for all purposes, including, without limitation, payment of any distribution, giving notice to Unitholders and determining the right to attend and vote at meetings of Unitholders.

8.23 Successors in Interest to Unitholders

Any person purporting to become entitled to any Units as a consequence of the death, bankruptcy or incompetence of any Unitholder or otherwise by operation of law, shall be recorded in the Register as the holder of such Units, but until such record is made, the Unitholder of record shall continue to be and shall be deemed to be the holder of such Units for all purposes whether or not the Trust, the Trustees or the Transfer Agent or registrar of the Trust shall have actual or other notice of such death, bankruptcy, incompetence or other event and any person becoming entitled to such Units shall be bound by every notice or other document in respect of the Units which shall have been duly given to the person from whom such person derives title to such Units. Once such record is made, the Trustees shall deal with the new holder of such units as Unitholder from thereon and shall have no liability to any other person purporting to have been entitled to the Units prior to the making of such record.

8.24 Units Held Jointly or in Fiduciary Capacity

The Trust may treat two or more persons holding any Unit as joint tenants of the entire interest therein unless the ownership is expressly otherwise recorded in the Register, but no entry shall be made in the Register that any person is in any other manner entitled to any future, limited or contingent interest in any Unit; provided, however, that any person recorded in the Register as a Unitholder may, subject to the provisions herein contained, be described in the Register as a fiduciary of any kind and any customary words may be added to the description of the holder to identify the nature of such fiduciary relationship.

8.25 Performance of Trusts

None of the Trustees of the Trust, the officers of the Trust, the Unitholders or the Transfer Agent or other agent of the Trust or the Trustees shall have a duty to inquire into any claim that a transfer of a Unit or other security of the Trust was or would be wrongful or that a particular adverse person is the owner of or has an interest in the Unit or other security or any other adverse claim, or be bound to see to the performance of any trust, express, implied or constructive, or of any charge, pledge or equity to which any of the Units or other securities or any interest therein are or may be subject, or to ascertain or inquire whether any sale or transfer of any such Units or other securities or interest therein by any such Unitholder or holder of such security or his personal representatives is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein, except for the person recorded as Unitholder.

8.26 Lost Unit Certificates

In the event that any Unit Certificate is lost, stolen, destroyed or mutilated, the Trustees may authorize the issuance of a new Unit Certificate for the same number of Units in lieu thereof. The Trustees may in their discretion, before the issuance of such new Unit Certificate, require the owner of the lost, stolen, destroyed or mutilated Unit Certificate, or the legal representative of the owner, to make such affidavit or statutory declaration, setting forth such facts as to the loss, theft, destruction or mutilation as the Trustees or any officers of the Trust deem necessary and may require the applicant to surrender any mutilated Unit Certificate and to require the applicant to supply to the Trust a "lost certificate bond" or similar bond in such reasonable amount as the Trustees direct indemnifying the Trustees or any officers of the Trust and the Transfer Agent for so doing. The Trustees or any officers of the Trust shall have the power to acquire from an insurer or insurers a blanket lost security bond or bonds in respect of the replacement of lost, stolen, destroyed or mutilated Unit Certificates. The Trust shall pay all premiums and other sums of money payable for such purpose out of the Trust Property with such contribution, if any, by those insured as may be determined by the Trustees or any officers of the Trust. If such blanket lost security bond is acquired, the Trustees or any officers of the Trust may authorize and direct (upon such terms and conditions as they from time to time impose) any registrar, transfer agent, trustee or others to whom the indemnity of such bond extends to take such action to replace such lost, stolen, destroyed or mutilated Unit Certificates without further action or approval by the Trustees or any officers of the Trust.

8.27 Death of Unitholders

The death of a Unitholder during the continuance of the Trust shall not terminate the Trust or give the personal representatives or the heirs of the estate of the deceased Unitholder a right to an accounting or to take any action in the courts or otherwise against other Unitholders or the

Trustees, officers of the Trust or the Trust Property, but shall only entitle the personal representatives or the heirs of the estate of the deceased Unitholder to succeed to all rights of the deceased Unitholder under this Declaration of Trust.

8.28 Unclaimed Payments

In the event that the Trustees hold any amounts to be paid to Unitholders under Article 12 or otherwise because such amounts are unclaimed or cannot be paid for any reason, neither the Trustees nor any distribution disbursing agent shall be under any obligation to invest or reinvest the same and shall only be obligated to hold the same in a current interest bearing account with a chartered bank or trust company, pending payment with interest earned (and less applicable taxes) to the person or persons entitled thereto. The Trustees shall, as and when required by law, and may at any time prior to such required time, pay all or part of such amounts so held to a court in the province where the Trust has its principal office or to the Public Guardian and Trustee (or other similar government official or agency) in the province where the Trust has its principal office whose receipt shall be a good and sufficient discharge of the obligations of the Trustees.

8.29 Repurchase of Units

- (a) Subject to applicable law, the Trust shall be entitled at any time and from time to time to purchase (in the open market or by invitation for tenders) the whole or any part of the Units then outstanding, up to a maximum in any twelve month period of 10% of the number of Units outstanding at the end of the prior year, at a price per Unit not exceeding the Net Asset Value per applicable Unit on the Valuation Date immediately prior to the offer to purchase or invitation for tenders. Units so purchased shall be cancelled. If, upon any offer to purchase or invitation for tenders under the provisions of this paragraph, more Units are tendered than the Trust is willing to purchase, the Units to be purchased by the Trust shall be purchased as nearly as may be *pro rata* to the number of Units tendered by each Unitholder who accepts the offer or submits a tender to the Trust.
- (b) Upon payment by the Trust to a Unitholder of the purchase price of the Units purchased, the Trust shall be discharged from all liability to the Unitholder in respect of the Units so purchased except any liability to distribute a pro rata share of Trust Income of the Trust previously allocated to such Units and of any Net Realized Capital Gains of the Trust previously allocated in respect of such Units and not yet distributed.
- (c) The Manager may make any filings necessary to permit the Trust to make normal course purchases of the Units from time to time to the extent permitted by applicable securities laws relating to issuer bids.

8.30 Take-Over Bids

- (a) If within 120 days after the date of a take-over bid the bid is accepted by the holders of not less than 90% of the Units, calculated on a fully diluted basis, other than Units held at the date of the take-over bid by or on behalf of the offeror or an affiliate or associate of the offeror, the offeror is entitled, on complying with this Section 8.30, to acquire the Units held by holders of Units that did not tender to the take-over bid (the “**dissenting offerees**”).

- (b) An offeror may acquire Units held by a dissenting offeree by sending by registered mail within 60 days after the date of termination of the take-over bid and in any event within 180 days after the date of the take-over bid, an offeror's notice to each dissenting offeree stating that:
- (i) offerees holding more than 90% of the Units, calculated on a fully diluted basis, accepted the take-over bid, other than Units held at the date of the take-over bid by or on behalf of the offeror or an affiliate or associate of the offeror;
 - (ii) the offeror is bound to take up and pay for or has taken up and paid for the Units of the offerees who accepted the take-over bid;
 - (iii) a dissenting offeree is required to elect:
 - (A) to transfer his Units to the offeror on the terms on which the offeror acquired the Units of the offerees who accepted the takeover bid, or
 - (B) to demand payment of the fair value of his Units in accordance with Subsections 8.30(h) to 8.30(q) by notifying the offeror within 20 days after he receives the offeror's notice;
 - (iv) a dissenting offeree who does not notify the offeror in accordance with Subparagraph 8.30(b)(iii)(B) is deemed to have elected to transfer his Units to the offeror on the same terms that the offeror acquired the Units from the offerees who accepted the take-over bid; and
 - (v) a dissenting offeree must send his Units to which the take-over bid relates to the Trust within 20 days after he receives the offeror's notice.
- (c) Concurrently with sending the offeror's notice under Subsection 8.30(b), the offeror shall send to the Trust a notice of adverse claim disclosing the name and address of the offeror and the name of the dissenting offeree with respect to each Unit held by a dissenting offeree.
- (d) A dissenting offeree to whom an offeror's notice is sent under Subsection 8.30(b) shall, within 20 days after he receives that notice, send his Unit Certificates to the Trust.
- (e) Within 20 days after the offeror sends an offeror's notice under Subsection 8.30(b), the offeror shall pay or transfer to the Trust the amount of money or other consideration that the offeror would have had to pay or transfer to a dissenting offeree if the dissenting offeree had elected to accept the take-over bid under Subparagraph 8.30(b)(iii)(A).
- (f) The Trust is deemed to hold in trust for the dissenting offeree the money or other consideration it receives under Subsection 8.30(e) and the Trust shall deposit the money in a separate account in a bank or other body corporate any deposits of which are insured by the Canada Deposit Insurance Corporation or guaranteed by the Québec Deposit Insurance Board, and shall place the other consideration in the custody of a bank or such other body corporate.

- (g) Within 30 days after the offeror sends an offeror's notice under Subsection 8.30(b), the Trust shall:
 - (i) issue to the offeror a Unit Certificate in respect of the Units that were held by dissenting offerees;
 - (ii) give to each dissenting offeree who elects to accept the take-over bid terms under Subparagraph 8.30(b)(iii)(A) and who sends his Unit Certificates as required under Subsection 8.30(d), the money or other consideration to which he is entitled, disregarding fractional Units, if any, which may be paid for in money; and
 - (iii) send to each dissenting offeree who has not sent his Unit Certificates as required under Subsection 8.30(d) a notice stating that:
 - (A) his Units have been cancelled,
 - (B) the Trust or some designated person holds in trust for him the money or other consideration to which he is entitled as payment for or in exchange for his Units, and
 - (C) the Trust will, subject to Subsections 8.30(h) to 8.30(q), send that money or other consideration to him forthwith after receiving his Units.
- (h) If a dissenting offeree has elected to demand payment of the fair value of his Units under Subparagraph 8.30(b)(iii)(B), the offeror may, within 20 days after it has paid the money or transferred the other consideration, under Subsection 8.30(e), apply to a court to fix the fair value of the Units of that dissenting offeree.
- (i) If an offeror fails to apply to a court under Subsection 8.30(h), a dissenting offeree may apply to a court for the same purpose within a further period of 20 days.
- (j) Where no application is made to a court under Subsection 8.30(i) within the period set out in that subsection, a dissenting offeree is deemed to have elected to transfer his Units to the offeror on the same terms that the offeror acquired the Units from the offerees who accepted the take-over bid.
- (k) An application under Subsections 8.30(h) or 8.30(i) shall be made to a court having jurisdiction in the place where the Trust has its registered office.
- (l) A dissenting offeree is not required to give security for costs in an application made under Subsections 8.30(h) or 8.30(i).
- (m) On an application under Subsections 8.30(h) or 8.30(i):
 - (i) all dissenting offerees referred to in Subparagraph 8.30(b)(iii)(B) whose Units have not been acquired by the offeror shall be joined as parties and shall be bound by the decision of the court; and

- (ii) the offeror shall notify each affected dissenting offeree of the date, place and consequences of the application and of his right to appear and be heard in person or by counsel.
- (n) On an application to a court under Subsections 8.30(h) or 8.30(i) the court may determine whether any other person is a dissenting offeree who should be joined as a party, and the court shall then fix a fair value for the Units of all dissenting offerees.
- (o) A court may in its discretion appoint one or more appraisers to assist the court to fix a fair value for the Units of a dissenting offeree.
- (p) The final order of the court shall be made against the offeror in favour of each dissenting offeree and for the amount for his Units as fixed by the court.
- (q) In connection with proceedings under this Section 8.30, a court may make any order it thinks fit and, without limiting the generality of the foregoing, it may:
 - (i) fix the amount of money or other consideration that is required to be held in trust under Subsection 8.30(f);
 - (ii) order that money or other consideration be held in trust by a person other than the Trust; and
 - (iii) allow a reasonable rate of interest on the amount payable to each dissenting offeree from the date he sends or delivers his Unit Certificates under Subsection 8.30(d) until the date of payment.

8.31 Authorization of Amendment for Preferred Units

- (a) Each Unitholder acknowledges and agrees that subject to obtaining a favourable (as determined in the sole discretion of the Manager acting reasonably based on the advice of counsel) advance tax ruling from the Canada Revenue Agency, the Trustees have been and are authorized in accordance with Sections 9.7 and 15.1 to make all such amendments to this Declaration of Trust as are necessary or desirable to enable the Trust to issue a maximum aggregate amount of Preferred Units equal to 25% of the Trust's total assets after giving effect to the offering, issuable in series, with such designation, rights, privileges, restrictions and conditions attached to each series as determined by the Manager.
- (b) The material aspects of the Preferred Units are expected to be as follows:
 - (i) the Preferred Units will rank in priority to the Units;
 - (ii) the Preferred Units shall have attached thereto the following attributes:
 - (A) the Preferred Units may from time to time be issued in one or more series, and the Manager may fix from time to time before such issue the number of the Preferred Units which is to comprise each series and the designation, rights, privileges, restrictions and conditions attaching to each series of Preferred Units including, without limiting the generality of the foregoing, any voting rights, the rate or amount of distributions (which

may be cumulative or non-cumulative and variable to fixed) or the method of calculating distributions, the dates of payment thereof, the terms and conditions of redemption and purchase, if any, any rights on the liquidation, dissolution or winding-up of the Trust, and any sinking fund or other provisions;

- (B) the Preferred Units of each series shall, with respect to the payment of distributions (other than distributions paid solely through the distribution of additional Units) and the distribution of assets of the Trust or return of capital in the event of liquidation, dissolution or winding-up of the Trust, whether voluntary or involuntary, or any other return of capital or distribution of assets of the Trust to the Unitholders for the purpose of winding-up its affairs, be entitled to preference over the Units, and over any other equity interests of the Trust ranking by their terms junior to the Preferred Units, provided, however, such distribution preference will be limited to the redemption value of such Preferred Units;
- (C) the Preferred Units of any series may also be given such other preferences, not inconsistent with this Declaration of Trust, over the Units, and any other equity interests of the Trust ranking by their terms junior to the Preferred Units, as may be fixed in accordance with subsection (A); and
- (D) if any cumulative distributions or amounts payable on return of capital in respect of a series of Preferred Units are not paid in full, all series of Preferred Units of equal ranking shall participate ratably in respect of cumulative distributions and return of capital, based on the cumulative distributions and return of capital of a series of Preferred Units as a proportion of the cumulative distributions and return of capital of all series of Preferred Units of equal ranking.

The terms of a particular series of Preferred Units as fixed by the Manager in accordance with subsection (A) above shall be set out in a certificate of amendment which certificate shall be approved by the Manager prior to the issue of such Preferred Units and, upon such approval, the certificate shall become a part of this Declaration of Trust.

Notwithstanding anything else contained in this Declaration of Trust, neither the Units nor any series of Preferred Units shall have or be deemed to have any term, condition, right or other attribute which would provide any holder of either Units or Preferred Units of any series with an interest in the income of the Trust as a percentage in any distribution received by that unitholder that is greater or lesser than an interest in the income of the Trust as a percentage of any distribution received by the holder of any other Units or Preferred Units of any series.

- (iii) For so long as any Preferred Units remain issued and outstanding, the Trust shall not pay or declare payable any amount to holders of Units (other than amounts that are paid solely through the issuance of additional Units) unless and until the distribution entitlements of the Preferred Units have been paid in full.

ARTICLE 9 MEETINGS OF UNITHOLDERS

9.1 Meetings of Unitholders

Annual meetings of Unitholders are not required. However, meetings of Unitholders may be called at any time by the Trustees and must be called by the Trustees upon a written request of Unitholders holding in the aggregate not less than 15% of the Units then outstanding, such request specifying the purpose or purposes for which such meeting is to be called. A meeting of holders of a series of Units may be called by the Trustees if the nature of the business to be transacted at the meeting is only relevant to the holders of such series of Units. A meeting of holders of a series of Units shall be called by the Trustees upon written request of the Unitholders of the series holding in the aggregate not less than 15% of the Units of the series then outstanding, which requisition must specify the purpose or purposes for which such meeting is to be called.

Meetings of Unitholders will be held at a location in Canada as determined by the Trustees.

9.2 Notice of Meetings of Unitholders

Notice of all meetings of the Unitholders shall be mailed or delivered by the Trustees to each Trustee and to the Auditors of the Trust not less than 21 nor more than 60 days or within such other number of days as required by law or relevant stock exchange rules before the meeting. Such notice shall specify the time when, and the place where, such meeting is to be held and shall state briefly the general nature of the business to be transacted at such meeting, and shall otherwise include such information as would be provided to shareholders of a corporation governed by the *Canada Business Corporations Act* in connection with a meeting of shareholders. Notice of any meeting of the Unitholders shall state the purposes of the meeting. Any adjourned meeting, other than a meeting adjourned for lack of a quorum under Section 9.4, may be held as adjourned without further notice. Notwithstanding the foregoing, a meeting of Unitholders may be held at any time without notice if all the Unitholders are present or represented thereat or those not so present or represented have waived notice. Any Unitholder (or a duly appointed proxy of a Unitholder) may waive any notice required to be given under the provisions of this Section 9.2, and such waiver, whether given before or after the meeting, shall cure any default in the giving of such notice. Attendance at a meeting of Unitholders shall constitute a waiver of notice unless the Unitholder or other person attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not properly called.

9.3 Chairperson

The chairperson of any meeting shall be the Chair of the Trustees or any other Trustee specified by resolutions of the Trustees or, in the absence of any Trustee, any person appointed as chairperson of the meeting by the Unitholders present.

9.4 Quorum

A quorum for any meeting of the Unitholders, or any series of Unitholders, as the case may be, shall be individual(s) present in person or represented by proxy, holding or representing by proxy in aggregate not less than 10% of the total number of outstanding Units or series of Units, as the case may be. If a quorum is present at the opening of a meeting, the Unitholders may

proceed with the business of the meeting, notwithstanding that a quorum is not present throughout the meeting. The Chair of any meeting at which a quorum of Unitholders is present may, with the consent of the majority of the Unitholders present in person or by proxy, adjourn at such meeting and no notice of any such adjournment need be given. In the event of such quorum not being present at the appointed place on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting, if called by request of Unitholders, shall be cancelled and, if otherwise called, shall stand adjourned to such day being not less than 10 days later and to such place and time as may be selected by the Trustees. If at such adjourned meeting a quorum as above defined is not present, the Unitholders present either personally or by proxy shall form a quorum, and any business may be brought before or dealt with at such an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

9.5 Voting

Holders of Units may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit shall entitle the holder of record thereof to one vote at all meetings of the Unitholders. Notwithstanding the foregoing, if the Trustees determines that the nature of the business to be transacted at a meeting affects Unitholders of one series of Units in a manner materially different from its effect on Unitholders of another series of Units, the Units of such affected series will be voted separately as a series.

In the event the Trust enters into a transaction that is subject to review under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*, and as a result requires approval from each series of Units, in each case voting separately as a series, the Trust will apply to applicable securities regulatory authorities for discretionary relief from such obligation given that (i) this Section 9.5 provides that Unitholders will vote as a single series unless the nature of the business to be transacted at the meeting of Unitholders affects holders of one series of Units in a manner materially different from its effect on holders of another series of Units, (ii) the relative returns of any proposed transaction to each series of Units are fixed pursuant to the formula set out herein, and (ii) providing a series vote could grant disproportionate power to a potentially small number of Unitholders.

Any action to be taken by the Unitholders shall, except as otherwise required by this Declaration of Trust or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The Chair of any such meeting shall not have a second or casting vote. Every question submitted to a meeting, other than a Special Resolution, shall, unless a poll vote is demanded, be decided by a show of hands, on which every person present and entitled to vote shall be entitled to one vote.

At any such meeting, unless a poll is demanded, a declaration by the Chair that a resolution has been carried or carried unanimously or by a particular majority, or lost or not carried by a particular majority, shall be conclusive evidence of that fact. If a poll is demanded concerning the election of a chairperson or an adjournment, it shall be taken immediately upon request and, in any other case, it shall be taken at such time as the Chair may direct. The demand for a poll shall not prevent the continuation of a meeting for the transaction of any business other than the question on which the poll has been demanded.

At any meeting of Unitholders, on a show of hands every person who is present and entitled to vote, whether as a Unitholder or as a proxy, shall have one vote. At any meeting of Unitholders on a poll, each Unitholder present in person or represented by a duly appointed proxy shall

have one vote for each Unit held on the applicable record date, except as otherwise set forth herein.

9.6 Approval by Ordinary Resolution

The following matters require approval by Ordinary Resolution and shall be deemed approved, consented to or confirmed, as the case may be, upon the adoption of such Ordinary Resolution:

- (a) a change in the investment objectives of the Trust set out in Section 7.1;
- (b) a change in the investment restrictions of the Trust set out in Section 7.2 unless such change is necessary to ensure compliance with all applicable laws, regulations or other requirements by the applicable regulatory authorities from time to time;
- (c) subject to the requirements for a Special Resolution, any matter or thing stated in this Declaration of Trust to be required to be consented to or approved by the Unitholders; and
- (d) any matter which the Trustees consider appropriate to present to the Unitholders for their confirmation or approval.

9.7 Approval by Special Resolution

The following matters require approval by Special Resolution and shall be deemed approved, consented to or confirmed, as the case may be, upon the adoption of such Special Resolution:

- (a) the amendment of this Declaration of Trust or changes to the Trust, other than amendments that do not require approval of Unitholders or require approval by Ordinary Resolution as set out herein;
- (b) any change in the basis of calculating fees or other expenses that are charged to the Trust which could result in an increase in charges to the Trust, other than a fee or expense charged by a person or company that is arm's length to the Trust;
- (c) a change in the Manager of the Trust, other than a change resulting in an affiliate of such person assuming such position;
- (d) a reduction in the amount payable on any outstanding Units upon liquidation of the Trust;
- (e) an increase in the liability of any Unitholders;
- (f) an amendment, modification or variation in the provisions or rights attaching to the Units which materially adversely affects the holders of Units; or
- (g) the alteration or elimination of any voting rights pertaining to any outstanding Units.

Notwithstanding the above or any other provision herein, no confirmation, consent or approval shall be sought or have any effect and no Unitholders shall be permitted to effect, confirm, consent to or approve, in any manner whatsoever, where the same increases the obligations of or reduces the compensation payable to or protection provided to the Trustees, except with the prior written consent of the Trustees.

9.8 Resolution in Lieu of Meeting

A resolution signed in writing by Unitholders shall be deemed to be a proceeding at a meeting of Unitholders and to be as valid and effective as if it had been passed at a meeting of Unitholders that satisfies all the requirements of this Declaration of Trust relating to meetings of Unitholders if:

- (a) in the case of a resolution of Unitholders that may be approved by the affirmative vote of a majority of the votes cast at a meeting of Unitholders, such resolution is, after being submitted to all of the Unitholders, consented to in writing by Unitholders who, in the aggregate, hold not less than half of the outstanding Units; and
- (b) in the case of a resolution of Unitholders that may be approved by the affirmative vote of at least two-thirds of the votes cast at a meeting of Unitholders, such resolution is consented to in writing by Unitholders who, in the aggregate, hold not less than two-thirds of the outstanding Units.

9.9 Record Dates

For the purpose of determining the Unitholders who are entitled to receive notice of and vote at any meeting or any adjournment thereof or for the purpose of any other action, the Trustees may from time to time, without notice to the Unitholders, close the transfer books for such period, not exceeding 35 days, as the Trustees may determine; or without closing the transfer books the Trustees may fix a date not more than 60 days prior to the date of any meeting of the Unitholders or other action as a record date for the determination of Unitholders entitled to receive notice of and to vote at such meeting or any adjournment thereof or to be treated as Unitholders of record for purposes of such other action, and any Unitholder who was a Unitholder at the time so fixed shall be entitled to receive notice of and vote at such meeting or any adjournment thereof, even though he has since that date disposed of his Units, and no Unitholder becoming such after that date shall be entitled to receive notice of and vote at such meeting or any adjournment thereof or to be treated as a Unitholder of record for purposes of such other action. If, in the case of any meeting of Unitholders, no record date with respect to voting has been fixed by the Trustees, the record date for voting shall be 5:00 p.m. on the last business day before the meeting.

9.10 Proxies

Whenever the vote or consent of Unitholders is required or permitted under this Declaration of Trust, such vote or consent may be given either directly by the Unitholder or by a proxy in such form as the Trustees may prescribe from time to time or, in the case of a Unitholder who is a body corporate or association, by an individual authorized by the board of directors or governing body of the body corporate or association to represent it at a meeting of the Unitholders. A proxy need not be a Unitholder. The Trustees may solicit such proxies from the Unitholders or any of them in any matter requiring or permitting the Unitholders' vote, approval or consent.

The Trustees may adopt, amend or repeal such rules relating to the appointment of proxyholders and the solicitation, execution, validity, revocation and deposit of proxies, as they in their discretion from time to time determine.

An instrument of proxy executed in compliance with the foregoing shall be valid unless challenged at the time of or prior to its exercise and the person challenging the instrument shall

have the burden of proving, to the satisfaction of the chairperson of the meeting at which the instrument is proposed to be used, that the instrument of proxy is invalid. Any decision of the chairperson of the meeting in respect of the validity of an instrument of proxy shall be final and binding upon all persons. An instrument of proxy shall be valid only at the meeting with respect to which it was solicited or any adjournment thereof.

A vote cast in accordance with any proxy shall be valid notwithstanding the death, incapacity, insolvency or bankruptcy of the Unitholder giving the proxy or the revocation of the proxy unless written notice of the death, incapacity, insolvency, bankruptcy or revocation of the proxy has been received by the chairperson of the meeting prior to the time the vote is cast.

9.11 Personal Representatives

If a Unitholder is deceased, his personal representative, upon filing with the secretary of the meeting such proof of his appointment as the secretary considers sufficient, shall be entitled to exercise the same voting rights at any meeting of Unitholders as the Unitholder would have been entitled to exercise if he were living and for the purpose of the meeting shall be considered to be a Unitholder. Subject to the provisions of the will of a deceased Unitholder, if there is more than one personal representative, the provisions of Section 8.24 relating to joint holders shall apply. When any Unit is held jointly by several persons, any one of them may vote at any meeting in person or by proxy in respect of such Unit, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote purporting to be executed by or on behalf of a Unitholder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger.

9.12 Attendance by Others

Any Trustee, officer of the Trust, officer, director or employee of the Trust's subsidiaries, representative of the auditors of the Trust or other individual approved by the Trustees may attend and speak at any meeting of Unitholders.

9.13 Conduct of Meetings

To the extent that the rules and procedures for the conduct of a meeting of Unitholders are not prescribed herein, the rules and procedures shall be such reasonable rules and procedures as are determined by the chairperson of the meeting and such rules and procedures shall be binding upon all parties participating in the meeting.

9.14 Binding Effect of Resolutions

Every resolution passed at a meeting in accordance with the provisions of this Article 9 shall be binding upon all Unitholders, whether present at or absent from the meeting. Subject to Section 9.6, no action taken by Unitholders at any meeting of Unitholders shall in any way bind the Trust or the Trustees without approval of the Trustees.

9.15 Resolution in Lieu of Meeting

A resolution signed in writing by all of the Unitholders entitled to vote on that resolution at a meeting of Unitholders is as valid as if it had been passed at a meeting of Unitholders. Notwithstanding any other provision of this Declaration of Trust, a resolution in writing executed

by Unitholders holding a proportion of the outstanding Units equal to the proportion required to vote in favour thereof at a meeting of Unitholders to approve that resolution is valid as if it had been passed at a meeting of Unitholders.

9.16 Actions by Unitholders

Any action, change, approval, decision or determination required or permitted to be taken or made by the Unitholders hereunder shall be effected by a resolution passed by the Unitholders at a duly constituted meeting (or a Special Resolution in lieu thereof) in accordance with this Article 9.

9.17 Meaning of “Special Resolution”

- (a) The expression “Special Resolution” when used in this Declaration of Trust means, subject to this Article 9, a resolution proposed to be passed as a special resolution at a meeting of Unitholders (including an adjourned meeting) duly convened for that purpose and held in accordance with the provisions of this Article 9 at which individual(s) present in person or represented by proxy and holding or representing by proxy in aggregate not less than 10% of the total number of outstanding Units and passed by the affirmative votes of the holders of more than $66\frac{2}{3}\%$ of the Units represented at the meeting and voted on a poll upon such resolution.
- (b) Votes on a Special Resolution shall always be given on a poll and no demand for a poll on a Special Resolution shall be necessary.

9.18 Meaning of “Outstanding”

Every Unit issued, certified and delivered hereunder shall be deemed to be outstanding until it shall be cancelled or delivered to the Trustees or Transfer Agent for cancellation provided that:

- (a) when a new certificate has been issued in substitution for a Unit Certificate which has been lost, stolen, mutilated or destroyed, only one of such Unit Certificates shall be counted for the purposes of determining the number of Units outstanding; and
- (b) for the purpose of any provision of this Declaration of Trust entitling holders of outstanding Units to vote, sign consents, requisitions or other instruments or take any action under this Declaration of Trust, Units owned directly or indirectly, legally or equitably, by the Trust or any affiliate thereof shall be disregarded, except that:
 - (i) for the purpose of determining whether the Trustees shall be protected in relying on any such vote, consent, requisition or other instrument or action only the Units which the Trustees know are so owned shall be so disregarded; and
 - (ii) Units so owned which have been pledged in good faith other than to the Trust or an affiliate thereof shall not be so disregarded if the pledgee shall establish to the satisfaction of the Trustees the pledgee’s right to vote such Units in his or her discretion free from the control of the Trust or any affiliate thereof.

ARTICLE 10 MEETINGS OF THE TRUSTEES

10.1 Trustees May Act Without Meeting

The Trustees may act with or without a meeting. Any action of the Trustees or any committee of the Trustees may be taken at a meeting by vote, or without a meeting by written consent signed by all of the Trustees or the members of the applicable committee, as the case may be.

10.2 Notice of Meeting

Meetings of the Trustees may be held from time to time upon the giving of notice by any Trustee. Regular meetings of the Trustees may be held without call or notice at a time and place fixed in accordance with the Trustees' Regulations. Notice of the time and place of any other meetings shall be mailed or otherwise verbally, by telephone or by other means of communication given not less than 48 hours before the meeting but may be waived in writing by any Trustee either before or after such meeting. Notice of a meeting of Trustees need not specify the purpose of or the business to be transacted at the meeting. If a quorum of Trustees is present, the Trustees may without notice hold a meeting immediately following a meeting of Unitholders. The attendance of a Trustee at a meeting, in person or by telephone shall constitute a waiver of notice of such meeting except where a Trustee attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened. Each committee of Trustees appointed by the Trustees may adopt its own rules or procedures for the calling, conduct, adjournment and regulation of the meetings of such committees as it sees fit and may amend or repeal such rules or procedures from time to time; provided, however, that the Trustees' Regulations and any such rules or procedures shall not be inconsistent with this Declaration of Trust.

10.3 Place of Meeting

Meetings of the Trustees may be held at any place in Canada and may not be held outside Canada. A Trustee who attends a meeting of Trustees, in person or by telephone, is deemed to have consented to the location of the meeting except when he or she attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting has not lawfully called or convened. A majority of Trustees participating in a meeting of Trustees must be present in person in Canada or participating from a location in Canada.

10.4 Chair

The chair of any meeting of the Trustees shall be the Trustee present at the meeting who holds the office of Chair of the Trustees or if such person is not present, the Trustees present shall choose one of their number to be chairperson. The Chair of the Trustees and the chairperson of any meeting of Trustees shall be a Resident.

10.5 Quorum

A quorum for all meetings of the Trustees or any committee thereof shall be a majority of the Trustees then holding office or of the Trustees on such committee, provided that a majority of the Trustees comprising the quorum must be Residents. Notwithstanding any vacancy among the number of Trustees, a quorum of Trustees may exercise all of the powers of the Trustees.

10.6 Adjourned Meeting

Any meeting of Trustees may be adjourned from time to time by the chairperson of the meeting with the consent of the meeting to a fixed time and place. Further notice of the adjourned meeting need not be given. The adjourned meeting shall be duly constituted if a quorum is present and if it is held in accordance with the terms of the adjournment. If there is not a quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated upon its adjournment.

10.7 Voting at Meetings

- (a) Questions arising at any meeting of the Trustees or of a committee of Trustees shall unless otherwise specified herein, be decided by a majority of the votes cast.
- (b) In the case of an equality of votes at any meeting of Trustees or of a committee of Trustees, the chairperson of the meeting shall not have a second or casting vote in addition to his original vote, if any. The powers of the Trustees may be exercised by resolution passed at a meeting at which a quorum is present or by resolution in writing signed by all Trustees. Resolutions in writing may be signed in counterparts each of which shall be deemed to be an original and all originals together shall be deemed to be one and the same instrument.

10.8 Meeting by Telephone

Any Trustee may participate in a meeting of the Trustees or any committee thereof by means of a conference telephone or other communication facilities by means of which all persons participating in the meeting can hear each other and a Trustee so participating shall be considered for the purposes of this Declaration of Trust to be present in person at that meeting, provided that a majority of Trustees are present in person in Canada or participating from a location in Canada.

ARTICLE 11 COMMITTEES OF TRUSTEES

11.1 General

Except as prohibited by law, the Trustees may appoint from among their number a committee of Trustees and may delegate to such committee any of the powers of the Trustees, provided that a majority of the Trustees appointed to any committee, shall be Independent Trustees, except for temporary periods where a sufficient number of Independent Trustees are not available to form the committee and then only until such time as a new Independent Trustee is appointed. The Trustees shall have the power to appoint, employ or contract with any person for any matter relating to the Trust or its assets or affairs. For greater certainty, the Trustees may delegate to any person (including, without limitation any one or more officers of the Trust) the power to execute any document or enter into any agreement on behalf of the Trust or exercise any discretion or make any amendment in relation thereto. The Trustees may grant or delegate such authority to an advisor or a committee of Trustees as the Trustees may in their sole discretion deem necessary or desirable without regard to whether such authority is normally granted or delegated by trustees. The Trustees shall have the power to determine the term and compensation of an advisor or any other person whom they may employ or with whom they may

contract. The Trustees shall have the power to grant powers of attorney as required in connection with any financing or security relating thereto.

Without in any way limiting the generality of the foregoing, the Trustees shall appoint an audit committee (the “**Audit Committee**”) to consist of at least three Trustees, each of whom shall be Independent Trustees, except for temporary periods where a sufficient number of Independent Trustees are not available to form the committee until such time as a new Independent Trustee is appointed, and who shall meet any requirements imposed by applicable law for the purpose of membership on such committee.

The Audit Committee shall have the powers, rights and responsibilities as the Trustees may approve, all as set out in any written charter for such purpose approved by the Trustees.

11.2 Additional Committees

The Trustees may create such additional committees as they, in their discretion, determine to be necessary or desirable for the purposes of properly governing the affairs of the Trust; provided that the Trustees may not delegate to any committee any powers or authority in respect of which a board of directors of a corporation governed by the *Canada Business Corporations Act* may not so delegate.

11.3 Procedure

Unless otherwise determined by the Trustees, a quorum for meetings of any committee shall be a majority of its members provided that a majority of the Trustees comprising such quorum must be Residents. Each committee shall have the power to appoint its chairperson who must be a Resident and the rules for calling, holding, conducting and adjourning meetings of the committee shall be the same as those governing meetings of the Trustees. Each member of a committee shall serve during the pleasure of the Trustees and, in any event, only so long as he or she shall be a Trustee. The Trustees may fill vacancies in a committee by appointment from among their members. Provided that a quorum is maintained, the committee may continue to exercise its powers notwithstanding any vacancy among its members.

ARTICLE 12 DISTRIBUTIONS

12.1 Distributions of Distributable Cash Flow

The Trust will target \$0.50 gross distributions per Unit per annum (5.0% of the issuer price per Unit pursuant to the Prospectus) at the discretion of the Trustees paid on a monthly basis, commencing in February 2019. The Trustees will, in respect of each Distribution Period in which it has determined to pay a distribution, on or before each Distribution Record Date, declare payable to the Unitholders of record at the close of business on each Distribution Record Date, all or any part of the Distributable Cash Flow for the Distribution Period. Subject to Section 12.7, any Distributable Cash Flow that has been declared to be payable to Unitholders in respect of a Distribution Period will be paid in cash or Units, at the discretion of the Trustees, on or before the Distribution Payment Date in respect of such Distribution Period.

12.2 Currency of Distributions

Distributions on the Units, including any returns of capital and the distribution of proceeds on the termination of the Trust, will be determined and declared in Canadian dollars.

12.3 Distributions of Trust Income, Gains, Capital and Other Amounts

- (a) The Trustees may allocate, declare payable and/or make distributions, from time to time, out of Trust Income, Net Realized Capital Gains, the capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates and to Unitholders of record on such dates, as the Trustees may determine.
- (b) Having regard to the intention of the Trustees to allocate, distribute and make payable to Unitholders a sufficient amount of the Trust Income, Net Realized Capital Gains and other applicable amounts so that the Trust will not have any liability for tax under Part I of the Tax Act in any Taxation Year, other than for tax which would be refunded as contemplated by paragraph (ii) below, the following amounts will, without any further actions on the part of the Trustees, be due and payable on the last day of each Taxation Year (whether or not such day is a Business Day) of the Trust:
 - (i) the amount of Trust Income for such year, other than (i) any Trust Income realized by the Trust as a result of a redemption of Units pursuant to Article 13 and that is payable to redeeming Unitholders under Section 13.7, and (ii) any other Trust Income that was previously paid or made payable to Unitholders in such year; and
 - (ii) the amount of Net Realized Capital Gains for such year, other than (i) any capital gains that are realized by the Trust as a result of a redemption of Units pursuant to Article 13 and that are payable to redeeming Unitholders under Section 13.7, and (ii) any other capital gains that were previously paid or made payable to Unitholders in such year, except to the extent of Net Realized Capital Gains in respect of which the tax payable by the Trust would be refunded as a "capital gains refund" as defined in the Tax Act for such Taxation Year.
- (c) Any distribution made pursuant to this Section 12.3 will be payable to each Unitholder of record on the applicable record date in the case of a distribution pursuant to Section 12.3(a), or on the last day of the Taxation Year in the year of distribution in the case of a distribution pursuant to Section 12.3(b), based on the proportionate interest of each series and with respect to such series, *pro rata* in proportion to the number of Units held as of record by such Unitholder on such date. Subject to Section 12.7, amounts that have been declared to be payable to Unitholders pursuant to Section 12.3(a) will be paid in cash on the Distribution Payment Date determined by the Trustees in respect of such distribution and, subject to Section 12.7, amounts that are payable pursuant to Section 12.3(b) will be paid in cash on the Distribution Payment Date for the Distribution Period ending December 31.
- (d) In addition, the Trustees may distribute, allocate and designate capital gains or income to redeeming Unitholders as contemplated by Section 13.7.

12.4 Character of Distributions, Designations and Allocation

In accordance with and to the extent permitted by the Tax Act and analogous provisions of any applicable provincial income tax legislation, the Trustees in each year will make designations in respect of the amounts paid or payable to Unitholders for such amounts that the Trustees consider to be reasonable in all of the circumstances, including without limiting the generality of the foregoing, net capital gains realized by the Trust in the year and foreign source income of and foreign taxes paid by the Trust for the year. Any such designations are intended to provide for an equitable distribution of the Trust Income and Net Realized Capital Gains among Unitholders. Distributions paid or payable to Unitholders pursuant to this Article 12 will be distributed from Trust Income, Net Realized Capital Gains, trust capital or other items in such amounts as the Trustees may, in their absolute discretion, determine and allocated to the Unitholders in the same proportions as distributions received by the Unitholders, subject to the discretion of the Trustees to adopt an allocation method which the Trustees consider to be more reasonable in the circumstances, including as contemplated in Section 13.712.3(d). For greater certainty, it is hereby declared that any distribution of Net Realized Capital Gains will include the non-taxable portion of the capital gains of the Trust that are included in such distribution.

12.5 Special Distribution Provisions

- (a) If distributions are calculated in respect of a Distribution Period and payable at the end of such Distribution Period, and if for any reason, including the termination of the Trust, such Distribution Period is not completed or such amounts are no longer payable, then the distribution will be pro-rated to the end of the shortened Distribution Period and be payable at the end of such shortened Distribution Period.
- (b) The Trustees will have the right but not the obligation, at any time, to distribute and allocate Distributable Cash, Trust Income, Net Realized Capital Gains and any other applicable amounts among Unitholders.

12.6 Enforceability of Right to Receive Distributions

Notwithstanding any other provision of this Article 12, each Unitholder will have the legal right to enforce payment on the Distribution Payment Date or the last day of the Taxation Year, as the case may be, of any amount payable to such Unitholder as a result of any distribution declared or otherwise made payable pursuant to this Article 12 on the applicable Distribution Record Date or the applicable last day of such Taxation Year, as the case may be, to, and not yet received by, such Unitholder pursuant to this Article 12.

12.7 Method of Payment of Distributions

Where the Trustees determine that the Trust does not have cash in an amount sufficient to make payment of the full amount of any distribution that has been declared payable, or otherwise made payable, pursuant to this Article 12 on the due date for such payment or for any other reason cannot pay the distribution in cash, or the Trustees otherwise elect in respect of any such distribution at the sole and absolute discretion of the Trustees, the payment will be distributed to the Unitholders in the form of additional Units, or fractions of Units, if necessary or desirable, having a value equal to the difference between the amount of such distribution declared to be payable and the amount of cash that has been determined by the Trustees to be available for the payment of such distribution. Such additional Units will be issued based on the proportionate interest of each series and with respect to such series, *pro rata* in proportion to

the number of Units held as of record by such Unitholder on such date. Such additional Units will be issued pursuant to applicable exemptions under applicable securities laws, discretionary exemptions granted by applicable securities regulatory authorities or a prospectus or similar filing. Immediately after a proportionate *pro rata* distribution of such Units to all Unitholders in satisfaction of any non cash distribution, the number of outstanding Units will be consolidated so that each Unitholder will hold after the consolidation the same number of Units as the Unitholder held before the non cash distribution. Subject to Section 12.8, each Unit Certificate representing a number of Units prior to such non cash distribution is deemed to represent the same number of Units after the non-cash distribution and consolidation.

12.8 Withholding Taxes

The Trustees may deduct or withhold from distributions payable to any Unitholder all amounts required by law to be withheld from such distributions. In the event of a distribution in the form of additional Units, the Trustees may sell Units of such Unitholder to pay such withholding taxes and to pay all of the Trustee's reasonable expenses with regard thereto and the Trustees shall have the power of attorney of such Unitholder to do so. Upon such sale, the affected Unitholder shall cease to be the holder of such Units. In the event that the net proceeds of any such sale of a Unitholder's Units exceed the statutory withholding required and the Trustees' reasonable expenses, the Trustees shall remit such excess to the Unitholder.

12.9 Definitions

Unless otherwise specified or the context otherwise requires, any term in this Article 12 that is defined in the Tax Act will have for the purposes of this Article 12 the meaning that it has in the Tax Act.

12.10 Payments of Cash

Any payment of cash by the Trust to a Unitholder pursuant to this Article 12 or any other provision of this Declaration of Trust will be conclusively deemed to have been made upon mailing of a cheque in a postage pre-paid envelope, addressed to the Unitholder at the Unitholder's address appearing in the Register, unless such cheque is dishonoured upon presentment. Upon such payment, the Trust will be discharged from all liability to the Unitholder in respect of such payment; provided, however, that if such cheque is lost or destroyed then, upon the presentation of evidence satisfactory to the Trustees of such loss or destruction, together with such indemnity as the Trustees may reasonably require, the Trust will issue a replacement cheque to the Unitholder. Notwithstanding the foregoing, the Trust may, in lieu of forwarding or causing to be forwarded a cheque to a Unitholder pursuant to this Article 12, enter into an agreement with a Unitholder or with the person for whom such Unitholder is acting as nominee providing for the payment to such Unitholder of the amounts to which such Unitholder is entitled, from time to time, hereunder by electronic funds transfer or by any other method at a place or places other than the place or places specified herein as the place or places for such payment. Any payment made hereunder or in connection with this Declaration of Trust that is made pursuant to any such agreement will, notwithstanding any other provision of this Declaration of Trust, be valid and binding on the Trust and the relevant Unitholder.

12.11 Unclaimed Distributions

In the event that the Trustees hold any distributable amount that is unclaimed or that cannot be paid for any reason, the Trustees will be under no obligation to invest or reinvest the same, but

will only be obliged to hold the same in a current interest-bearing account pending payment with interest earned (and less applicable taxes) to the person or persons entitled thereto. The Trustees will, as and when required by law, and may at any time prior to such required time, pay all or part of such distributable amount so held to the appropriate government official or agency, whose receipt shall be a good and sufficient discharge and release of the Trustee.

12.12 Distribution Reinvestment Plan

The Trustees may, in its sole discretion, establish a distribution reinvestment plan at any time.

ARTICLE 13 REDEMPTION OF UNITS

13.1 Right of Redemption by Unitholders

Subject to Subsection 13.5(a), each Unitholder will be entitled to require the Trust to redeem at any time or from time to time at the demand of the Unitholder all or any part of the Units registered in the name of the Unitholder at the prices determined and payable in accordance with this Article 13, by submitting a Redemption Notice in accordance with Section 13.3. The redemption price payable in respect of such redemptions shall be equal to:

- (a) in respect of Series A Units, 96% of the 5-day volume-weighted average trading price of such Units on the Exchange, less any expenses incurred by the Trust in order to fund such redemption payment and, if applicable, any accrued performance fees (the **"Monthly Redemption Amount"**);
- (b) in respect of Series C Units, the product of (i) the Monthly Redemption Amount; and (ii) a fraction, the numerator of which is the most recently calculated Net Asset Value per Series C Unit and the denominator of which is the most recently calculated Net Asset Value per Series A Unit; and
- (c) in respect of Series F Units, the product of (i) the Monthly Redemption Amount; and (ii) a fraction, the numerator of which is the most recently calculated Net Asset Value per Series F Unit and the denominator of which is the most recently calculated Net Asset Value per Series A Unit.

13.2 Additional Annual Redemption Right

- (a) Subject to Section 13.2(b), in addition to the redemption right provided for in Section 13.1, commencing June 29, 2020, each Unitholder will be entitled to require the Trust to redeem all or any part of the Units registered in the name of the Unitholder on the second last business day of June in each year (the **"Annual Redemption Date"**), by submitting a Redemption Notice in accordance with Section 13.3, for cash redemption proceeds of an amount equal to 100% of the Net Asset Value per applicable Unit (calculated in accordance with Section 8.11), less any costs and expenses incurred by the Trust in order to fund such redemption payment (the **"Annual Redemption Right"**).
- (b) A maximum of 5% of the aggregate Units outstanding may be surrendered for redemption pursuant to this Section 13.2 on each Annual Redemption Date. If the Manager has received requests to redeem more than 5% of the Units outstanding on the redemption date, the number of Units to be redeemed shall be determined on a *pro rata*

basis (based upon the number of Units tendered for redemption) from the holdings of each redeeming Unitholder. In no event, however, shall any redeeming Unitholder be left with a fraction of a Unit.

13.3 Exercise of Redemption Rights

- (a) The right to redeem Units under this Article 13 must be exercised by causing notice (the "**Redemption Notice**") to be given to the Trustees in the manner described in this Section 13.3. Such notice will be irrevocable except with respect to any Units surrendered for redemption in respect of which the redemption proceeds are not paid by the Trust on or before the date on which such payment is due and except as otherwise provided herein.
- (b) A Unitholder who desires to exercise redemption privileges must do so by causing a CDS Participant to deliver to CDS, on behalf of the Unitholder, a Redemption Notice at least 10 business days prior to the relevant redemption date showing the owner's intention to redeem Units. Any expense associated with the preparation and delivery of Redemption Notices will be for the account of the Unitholder exercising the redemption privilege.
- (c) By causing a CDS Participant to deliver to CDS a notice of the Unitholder's intention to redeem Units, the Unitholder will be deemed to have irrevocably surrendered such Unitholder's Units for redemption and appointed such CDS Participant to act as the Unitholder's exclusive settlement agent with respect to the exercise of the redemption privilege and the receipt of payment in connection with the settlement of obligations arising from such exercise.
- (d) Any Redemption Notice which CDS determines to be incomplete, not in proper form or not duly executed will for all purposes be void and of no effect and the redemption privilege to which it relates will be considered for all purposes not to have been exercised thereby. A failure by a CDS Participant to exercise redemption privileges or to give effect to the settlement thereof in accordance with the owner's instructions will not give rise to any obligations or liability on the part of the Trust to the CDS Participant or the owner.

13.4 Effect of Redemption Notice

Units shall be considered to be tendered for redemption on the date that the Trust has, to the satisfaction of the Trustees, received the Redemption Notice and further documents or evidence the Trust may reasonably require with respect to the identity, capacity or authority of the person giving such notice.

Subject to applicable laws, the Trust will redeem the Units specified in such Redemption Notice. Such redemption in respect of Units tendered for redemption pursuant to Section 13.1 will be effective as of the date on which the Units are redeemed. Such redemption in respect of Units tendered for redemption pursuant to Section 13.2 will be effective as of the Annual Redemption Date.

13.5 Payment of Redemption Price in Cash

The redemption price per Unit multiplied by the number of Units tendered for redemption will be paid to a Unitholder by way of a cash payment no later than the last day of the calendar month following the month in which the Redemption Date occurs, provided that:

- (a) the total amount payable by the Trust by cash payment in respect of the redemption of Units pursuant to Section 13.1 in the month in which the Monthly Redemption Date occurs shall not exceed \$50,000; and
- (b) the total amount payable by the Trust by cash payment in respect of the redemption of Units pursuant to Section 13.2 in the calendar year in which the Annual Redemption Date occurs will not exceed 5% of aggregate outstanding Units on the Annual Redemption Date.

13.6 Payment of Redemption Price in Specie

If redemptions in excess of the cash limits set out in Section 13.5 occur, the Trust may satisfy the redemption of Units in excess of such cash limit by way of an *in specie* distribution of Trust Property and/or unsecured subordinated notes of the Trust, at its option, as determined by the Trustees in their sole discretion.

13.7 Allocation of Capital Gains and Income to Redeeming Unitholders

The Trustees may distribute, allocate and designate as payable to redeeming Unitholders capital gains or income realized by the Trust in connection with the disposition of securities or other property required in order to fund a redemption. In addition, the Trust may distribute, allocate and designate any capital gains or income of the Trust to a Unitholder who has redeemed Units during a year in an amount equal to the Unitholder's share, at the time of redemption, of the Trust's capital gains or income for the year. Any such distributions, allocations and designations will be included in the redemption price payable on the redemption.

13.8 General

Units will be redeemed according to the order in which Redemption Notices are received.

ARTICLE 14 FEES AND EXPENSES

14.1 Expenses

The Trust shall pay all expenses incurred in connection with the administration and management of the Trust and its investments out of the Trust Property, including without limitation:

- (a) interest and other costs of borrowed money;
- (b) fees and expenses of lawyers, accountants, auditors, appraisers and other agents or consultants employed by or on behalf of the Trust or the Trustees;
- (c) fees and expenses of the Trustees;

- (m) all costs and expenses in connection with the incorporation or establishment, organization and maintenance of corporations and other entities formed to hold real property or other Trust Property.

14.2 Payment of Real Property and Brokerage Commissions

The Trust may pay real property and brokerage commissions at commercial rates in respect of the acquisition and disposition of any direct real estate or infrastructure assets acquired or disposed of by it.

14.3 Asset Management, Leasing and Financing Fees

The Trust may pay asset management fees, leasing fees and financing fees in respect of any real property owned by it.

ARTICLE 15 AMENDMENTS TO THE DECLARATION OF TRUST

15.1 Amendments by the Trustees

Notwithstanding Section 9.6, the Trustees may, without the approval of or notice to the Unitholders, make certain amendments to the Declaration of Trust, including amendments:

- (a) removing any conflicts or other inconsistencies which may exist between any terms of the Declaration of Trust and any provisions of any law or regulation applicable to or affecting the Trust;
- (b) providing, in the opinion of the Trustees, additional protection for the Unitholders or to obtain, preserve or clarify the provision of desirable tax treatment to Unitholders;

- (c) which, in the opinion of the Independent Trustees, are necessary or desirable to enable the Trust to issue new series of units of the Trust, including Preferred Units, in accordance with this Declaration of Trust;
- (d) which, in the opinion of the Trustees, are necessary or desirable in the interests of the Unitholders as a result of changes in taxation laws or accounting rules or in their interpretation or administration;
- (e) which, in the opinion of the Trustees, are necessary or desirable to remove conflicts or inconsistencies between the disclosure in the Prospectus and the Declaration of Trust;
- (f) making changes or corrections in the Declaration of Trust which are of a typographical nature or are required to cure or correct any ambiguity or defective or inconsistent provision, clerical omission, mistake or manifest error contained therein;
- (g) bringing the Declaration of Trust into conformity with applicable laws, including the rules and policies of Canadian securities regulators or with current practice within the securities or investment fund industries provided that any such amendment does not adversely affect the rights, privileges or interests of Unitholders;
- (h) maintaining, or permitting the Manager to take such steps as may be desirable or necessary to maintain, the status of the Trust as a “mutual fund trust” and a “unit trust” for the purposes of the Tax Act or to respond to amendments to the Tax Act or to the interpretation thereof;
- (i) subject to (h), removing the limitation on Non-Resident ownership;
- (j) providing added protection to Unitholders; or
- (k) as are required to undertake an internal reorganization involving the sale, lease, exchange or other transfer of the Trust as a result of which the Trust has substantially the same interest, whether direct or indirect, in the Trust Property that it had prior to the reorganization and, for greater certainty, includes an amalgamation, arrangement or merger of the Trust and its affiliates with any entities provided that in the opinion of the Trustees, based on the advice of counsel, the rights of Unitholders are not materially prejudiced thereby;

but notwithstanding the foregoing, no such amendment shall modify the right to vote attached to any Unit or reduce the proportionate interest in the Trust Property or the entitlement to distributions from the Trust provided hereunder (including those provided for in Article 12 and Article 17) represented by any Unit without the consent of the Unitholders provided in accordance with Sections 15.2 and 9.6, as applicable.

15.2 Amendments by Unitholders

Subject to Sections 9.7 and 15.3, this Declaration of Trust may be amended by the vote of a majority of the votes cast at a meeting of Unitholders called for that purpose.

15.3 Amendment by the Trustees

Notwithstanding Sections 9.6, 9.7, 15.1 and 15.2, prior to the Closing, the Trustees may make any amendment to this Declaration of Trust including this Section 15.3.

15.4 No Termination

No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 15 or otherwise, shall be construed as a termination of the Trust and the settlement or establishment of a new trust.

15.5 Trustees to Sign Amendment

When a vote of the Unitholders approves an amendment to this Declaration of Trust or when the Trustees may amend this Declaration of Trust alone as provided herein, then the Trustees shall sign such documents as may be necessary to effect such amendment.

ARTICLE 16 SUPPLEMENTAL INDENTURES

16.1 Provision for Supplemental Indentures for Certain Purposes

The Trustees may, without approval of or notice to the Unitholders and subject to the provisions hereof, and shall, when so directed in accordance with the provisions hereof, execute and deliver indentures or instruments supplemental hereto which thereafter shall form part hereof, for any one or more or all of the following purposes:

- (a) modifying or amending any provisions of this Declaration of Trust in the circumstances set forth in Section 15.1 where the Trustees may do so without the consent, approval or ratification of the Unitholders or any other person; and
- (b) modifying or amending any provisions of this Declaration of Trust where the modification or amendment has been approved by Ordinary Resolution, Special Resolution or, if required, with the consent of the holders of all of the Units.

ARTICLE 17 TERMINATION OF THE TRUST

17.1 Term of the Trust

Unless the Trust is sooner terminated as otherwise provided herein, the Trust shall continue in full force and effect so long as the Trustees hold any Trust Property, and the Trustees shall have all the powers and discretions, expressed and implied, conferred upon them by law or by this Declaration of Trust.

17.2 Termination

The Trustees may at any time terminate and dissolve the Trust. At least 90 days before the date on which the Trust is to be terminated, the Trustees must give written notice to each of the then Unitholders of its intention to terminate the Trust. Such notice will specify the location(s) at which Unitholders may receive, or the manner in which Unitholders will be paid, the payments

due to them under Section 12.5 and, where applicable, surrender certificates representing their Units for cancellation.

17.3 Sale of Investments

Upon termination, the net assets of the Trust will be distributed to the holders of each series of Units on a proportionate basis based on the Proportionate Series A Interest, the Proportionate Series C Interest and the Proportionate Series F Interest, respectively. Prior to the termination date, the Trustees will convert the assets of the Trust to cash. After payment of the liabilities of the Trust, the holder of each series of Units registered as such at the close of business on the date fixed as the termination date will be entitled to receive from the Trust the proportionate share of the value of the Trust attributable to such series of units based on the Proportionate Series A Interest, the Proportionate Series C Interest and the Proportionate Series F Interest, respectively.

17.4 Powers of the Trustees Upon Termination

After the Termination Date, the Trustees shall undertake no activities except for the purpose of winding-up the affairs of the Trust and protecting the Trust Property pending such winding up as hereinafter provided and, for this purpose, the Trustees shall continue to be vested with and may exercise all or any of the powers conferred upon the Trustees under this Declaration of Trust.

17.5 Distribution of Proceeds

On the termination of the Trust, the assets of the Trust shall be liquidated and the proceeds distributed in the following order:

- (a) to pay the liabilities of the Trust and to establish reserves for the contingent liabilities of the Trust; and
- (b) to the Unitholders in accordance with Section 17.3.

17.6 Further Notice to Unitholders

In the event that less than all of the Unitholders have surrendered their Units for cancellation within six months after the time specified in the notice referred to in Section 17.2, the Trustees shall give further notice to the remaining Unitholders to surrender their Units for cancellation and if, within one year after the further notice, all the Units shall not have been surrendered for cancellation, such remaining Units shall be deemed to be cancelled without prejudice to the rights of the holders of such Units to receive their *pro rata* share of the remaining Trust Property, and the Trustees may either take appropriate steps, or appoint an agent to take appropriate steps, to contact such Unitholders (deducting all expenses thereby incurred from the amounts to which such Unitholders are entitled as aforesaid) or, in the discretion of the Trustees, may pay such amounts into court.

17.7 Responsibility of the Trustees after Sale and Conversion

The Trustees shall be under no obligation to invest the proceeds of any sale of investments or other assets or cash forming part of the Trust Property after the date referred to in Section 17.3

and, after such sale, the sole obligation of the Trustees under this Declaration of Trust shall be to hold such proceeds or assets in trust for distribution under Section 17.5.

ARTICLE 18 LIABILITIES OF TRUSTEES AND OTHERS

18.1 Liability and Indemnification of the Trustees

The Trustees shall at all times, including, for the purposes of this Article 18, the time after they have ceased to be a Trustee, be indemnified and saved harmless out of the Trust Property from and against all liabilities, damages, losses, debts and claims whatsoever, including costs, charges and expenses in connection therewith, sustained, incurred, brought, commenced or prosecuted against them for or in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of their duties as Trustees and also from and against all other liabilities, damages, losses, debts, claims, costs, charges, and expenses (including, without limitation, legal fees and disbursements on a solicitor and client basis) which they sustain or incur in or about or in relation to the affairs of the Trust (whether accrued, actual, contingent or otherwise), claims, costs, charges or expenses arising out of or in connection with the presence, release, discharge or disposal of any hazardous substance or any adverse environmental conditions at, on, under or near any real property or any investigation, remediation or clean up action required to be undertaken in connection with any real property. Further, the Trustees shall not be liable to the Trust or to any Unitholder or Annuitant for any loss or damages relating to any matter regarding the Trust, including, without limitation, any loss or diminution in the value of the Trust or its assets. The foregoing provisions of this Section 18.1 in favour of any Trustee do not apply unless:

- (a) the Trustee acted honestly and in good faith with a view to the best interests of the Trust; and
- (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the Trustee had reasonable grounds for believing his conduct was lawful.

18.2 Indemnification of Trustees

Each Trustee, each former Trustee, each officer of the Trust and each former officer of the Trust shall be entitled to be and shall be indemnified and reimbursed out of the Trust Property in respect of any and all taxes, penalties or interest in respect of unpaid taxes or other governmental charges imposed upon the Trustee or former Trustee or officer or former officer in consequence of its performance of its duties hereunder and in respect of any and all costs, charges and expenses, including amounts paid to settle an action or satisfy a judgment, reasonably incurred in respect of any civil, criminal or administrative action or proceeding to which the Trustee, former Trustee, officer or former officer is made a party by reason of being or having been a Trustee or officer of the Trust or, at the request of the Trust, a trustee or officer or any subsidiary or affiliate thereof, provided that a Trustee, former Trustee, officer or former officer shall not be indemnified out of the Trust Property in respect of unpaid taxes or other governmental charges or in respect of such costs, charges and expenses that arise out of or as a result or in the course of a breach of the standard of care, diligence and skill set out in Section 4.5. A Trustee, former Trustee, officer or former officer shall not be entitled to satisfy any right of indemnity or reimbursement granted herein, or otherwise existing under law, except out of the

Trust Property, and no Unitholder or other Trustee or officer shall be personally liable to any person with respect to any claim for such indemnity or reimbursement as aforesaid.

18.3 Contractual Obligations of the Trust

The omission of the statement described in Section 4.11 from any document or instrument shall not render the Trustees or the Unitholders liable to any person, nor shall the Trustees or the Unitholders be liable for such omission. If, the Trustees or any Unitholder shall be held liable to any person by reason of the omission of such statement from any such agreement, undertaking or obligation, such Trustee or Unitholder shall be entitled to indemnity and reimbursement out of the Trust Property to the full extent of such liability.

18.4 Liability of the Trustees

The Trustees shall not be liable to the Trust or to any Unitholder, Annuitant or any other person for the acts, omissions, receipts, neglects or defaults of any person, firm or corporation employed or engaged by it as permitted hereunder, or for joining in any receipt or act of conformity or for any loss, damage or expense caused to the Trust through the insufficiency or deficiency of any security in or upon which any of the monies of or belonging to the Trust shall be paid out or invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person, firm or corporation with whom or which any monies, securities or Trust Property shall be lodged or deposited, or for any loss occasioned by error in judgment or oversight on the part of the Trustees, or for any other loss, damage or misfortune which may happen in the execution by the Trustees of their duties hereunder, except to the extent the Trustees have not acted in accordance with Subsections 18.1(a) and 18.1(b).

18.5 Reliance Upon Advice

The Trustees may rely and act upon any statement, report or opinion prepared by or any advice received from the auditors, lawyers or other professional advisors of the Trust and shall not be responsible or held liable for any loss or damage resulting from so relying or acting.

18.6 Liability of Unitholders and Others

No Unitholder or Annuitant or any officer, employee or agent of the Trust shall be held to have any personal liability as such, and no resort shall be had to his private property (including, without limitation, any property consisting of or arising from a distribution of any kind or nature by the Trust) for satisfaction of any obligation or claim arising out of or in connection with any contract or obligation of the Trust or of the Trustees or any obligation which a Unitholder or Annuitant would otherwise have to indemnify a Trustee for any personal liability incurred by the Trustee as such, but rather the assets of the Trust only are intended to be liable and subject to levy or execution for such satisfaction. Any written instrument creating an obligation which is or includes the granting by the Trust of a lease, sublease or mortgage or which is, in the judgment of the Trustees, a material obligation, shall contain a provision to the effect that the obligation being created is not personally binding upon, and that resort shall not be had to, nor shall recourse or satisfaction be sought from, the private property (including, without limitation, any property consisting of or arising from a distribution of any kind or nature by the Trust) of any of the Unitholders or Annuitant or officers, employees and agents of the Trust, but the Trust Property or a specific portion thereof only shall be bound. If the Trust acquires any real property investment subject to existing contractual obligations, the Trustees shall use their reasonable efforts to have any such obligations under material agreements (including mortgages), other

than leases, modified so as to achieve the aforesaid disavowal of contractual liability. Further, the Trustees shall cause the operations of the Trust to be conducted in such a way and in such jurisdictions as to avoid, as far as reasonably possible, any material risk of liability on the Unitholders or Annuitant for claims against the Trust, and shall, to the extent which they determine to be possible and reasonable, including in the cost or premiums, to cause the Trust to carry insurance for the benefit of such persons in such amounts as they consider adequate to cover any foreseeable non-contractual or non-excluded contractual liability. Any potential liability of the Trustees with respect to their foregoing obligations or their failure to perform the same shall be governed by the provisions of Sections 18.1, 18.4 and 18.5. Nothing in this Declaration will preclude the Trustees from exercising any rights granted to them under the Tax Act or any other applicable taxation legislation to withhold from amounts payable to Unitholders or otherwise recover from Unitholders any taxes that the Trustees have paid on behalf of Unitholders.

ARTICLE 19 GENERAL

19.1 Execution of Instruments

The Trustees shall have power from time to time to appoint any Trustee or Trustees or officer or officers of the Trust or any person or persons on behalf of the Trust, including the Manager, either to sign instruments in writing generally or to sign specific instruments in writing. Provisions respecting the foregoing may be contained in the Trustees' Regulations.

19.2 Manner of Giving Notice
